¹ Other Asian alone, or two or more Asian categories.

² Other Pacific Islander alone, or two or more Native Hawaiian and Other Pacific Islander categories.

³ In combination with one or more of the other races listed. The six numbers may add to more than the total population and the six percentages may add to more than 100 percent because individuals may report more than one race.

NOTE: Because individuals could report only one race in the 1990 Census, but could report one or more races in the 2000 Census, data on race for 1990 and 2000 are not directly comparable.
