

Apply for Montgomery Planning's Art Review Panel

Accepting applications for open volunteer positions until October 1, 2018

Public art can be a catalyst for community building, economic development, and creating a sense of place. Where it is located, how it connects to its surroundings, and whether it engages viewers can be as important as the design of the artwork itself.

The selected applicant will:

- Be appointed by Montgomery County Planning Board.
- Have a professional background in Real Estate Development and/ or Design related fields (e.g. Architecture or Landscape Architecture).
- Understand Montgomery County's Zoning Ordinance.
- Have a knowledge of public art projects throughout the region.

Apply by contacting the Planning Director's Special Assistant, and submit a cover letter stating what you hope to contribute, a resume and a brief bio by **Monday, October 1, 2018**.
