Keep ~~the~~ Germantown Community Flea Markets

The ^{MARC} train has no more capacity -
 Then this is just pandering to development

Re-opening Liberty Mill bridge would
 be a waste of public money
 would only serve new residents -
 not ones already here
 spend money on sidewalks instead

We (the people) own the parking
 lot - should not be sold/partnered
 with a private enterprise

DO NOT build residential or
 commercial unless infrastructure in place 1st
