

CMA and LMA

The first section covers Corrective Map Amendments (CMAs) and Local Map Amendments (LMAs). CMAs change the existing zoning following documentation of an error found on the official zoning map. An LMA changes the zoning on a property following the approval of a request by a property owner to change the zone.

LMA-G-881

In a Local Map Amendment that went into effect on 11 June 2013, this RE-2 property was rezoned to PRC (Planned Retirement Community).

Therefore, the proposed conversion for this property will be from PRC to PRC (no change due to the conversion).
