Vision Statement

Montgomery County will become a world-class bicycling community.

Everyone in Montgomery County will be able to travel by bicycle on a comfortable, safe and connected bicycle network. Bicycling will become a viable transportation option and elevate the quality of life in the County.

Plan Goals & Objectives

GOAL 1

Increase bicycling trips in Montgomery County.

GOAL 2

Create a highly-connected, convenient and low-stress bicycling network.

GOAL 3

Provide equal access to low-stress bicycling for all members of the community.

GOAL 4

Improve the safety of bicycling.

Monitoring Report

OBJECTIVE	METRIC		ACTUAL		TARGET	
			2017 (BASELINE)	2019 (FUTURE YEAR)	2022 (5-YEAR TARGET)	2027 (10-YEAR TARGET)
GOAL 2: CREATE A HIGHLY-CONNECTED, CONVENIENT AND LOW-STRESS BICYCLING NETWORK						
2.1	Percentage of potential bicycle trips that can be made on a low-stress bicycle network.		TBD			
2.2	Percentage of dwelling units within 2.0 miles of Red Line, Brunswick Line, Purple Line, and Corridor Cities Transitway stations that can access the station on a low-stress bicycling network.	Red Line	18%			
		Brunswick Line	12%			
		Purple Line	15%			
		Corridor Cities Transitway	23%			
2.3	Percentage of dwelling units located within the attendance zone of elementary, middle and high schools that are connected to each school through a low-stress bicycle network.	Elementary Schools	20%			
		Middle Schools	10%			
		High Schools	5%			
2.4	Percentage of dwelling units within 2.0 miles of a public facility will be connected to that facility through a low-stress bicycling network.	Public Libraries	10%			
		Recreation Centers	22%			
		Recreational and Regional Parks	37%

[5] Bikeway Selection

Separate From Traffic

Separate From Pedestrians

Two-Way Bikeways on Both Sides of Road

Bikeways on Primary Residential Streets

General Bikeway Application

Functional Class	# Lanes	Higher Activity Area	Lower Activity Areas
Controlled Major	4+	Two-Way Separated Bike Lanes (Both Sides of Street)	Sidepath (Both Sides of Street)
Major Highway*	4+		
Arterial*	5		
Arterial*	2 – 4	One-Way Separated Bike Lanes (Both Sides of Street)	Sidepath (One Side of Street)
Minor Arterial*	2 – 3		
Country Arterials	Any	n/a	Bikeable Shoulders
Business District	2 – 3	One-Way Separated Bike Lanes (Both Sides of Street)	One-Way Separated Bike Lanes (Both Sides of Street)
Primary Residential	2	n/a	Sidepath, Conventional Bike Lanes, Advisory Bike Lanes
Secondary Residential	Un-laned	n/a	On-Road Bikeway
Tertiary Residential	Un-laned		

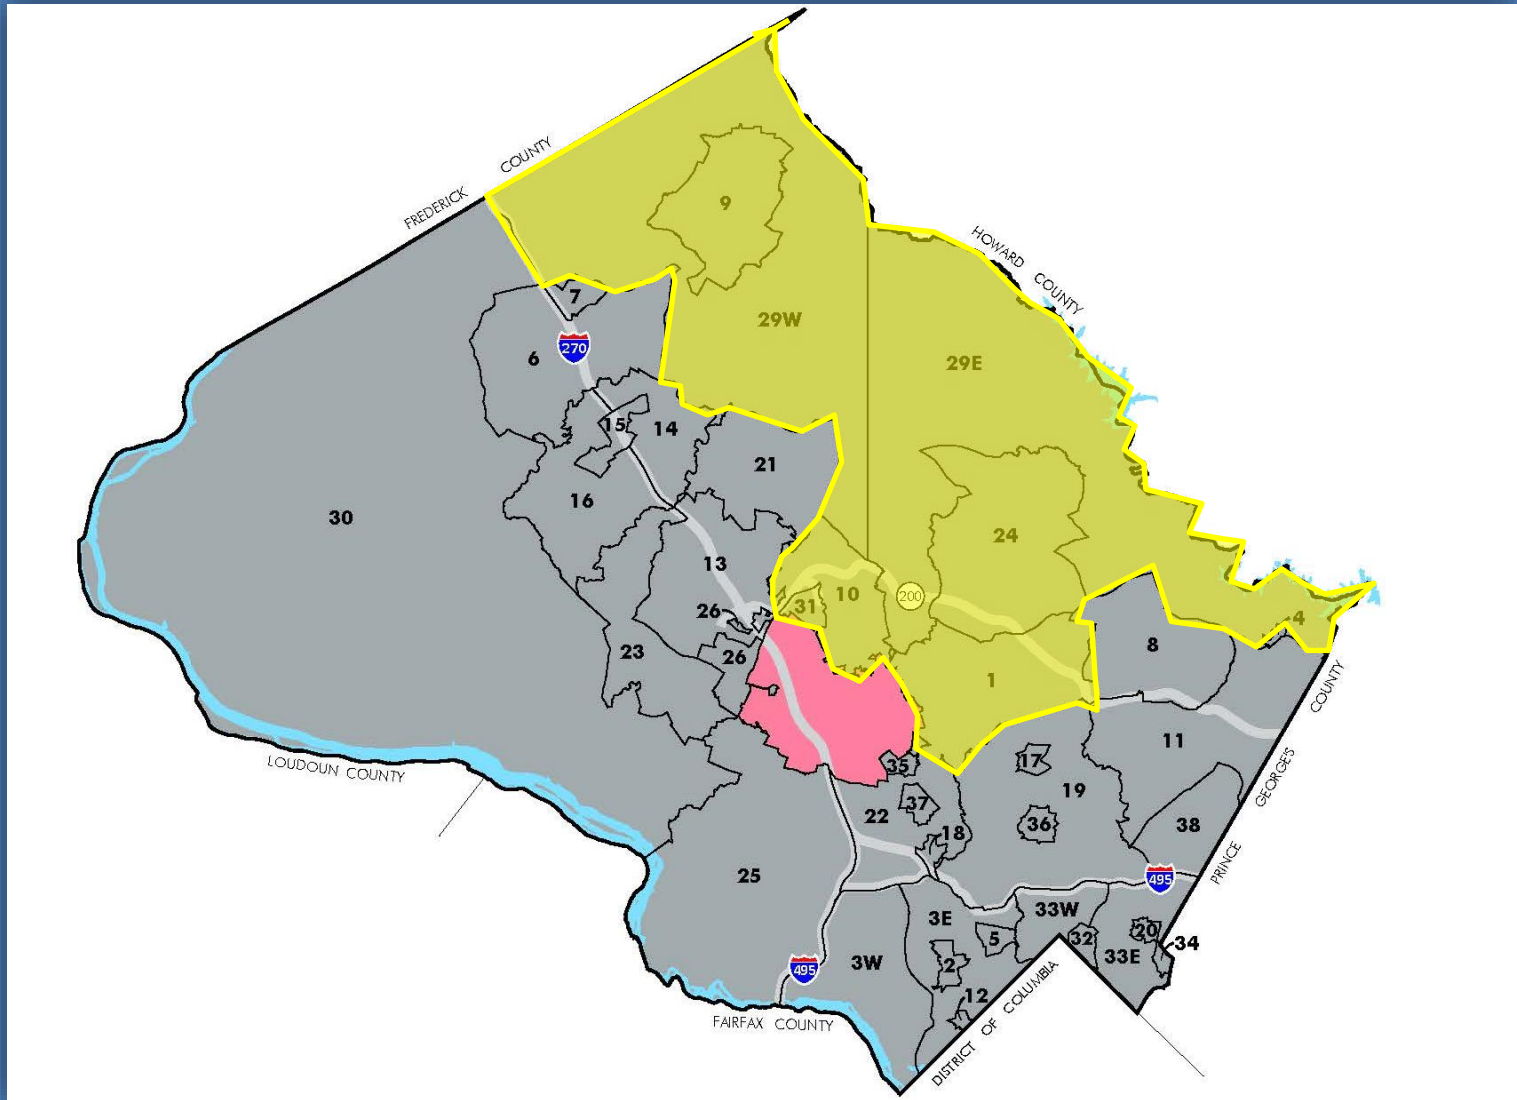

*Where space is available and does not substantially detract from the default bikeway, bike lanes or bikeable shoulders can be added.

[6] Bikeway Network

Bikeway Network

- Extensive network of bikeways
- Potential impacts
(streetscape, temporary disruptions)
- Need to prioritize what gets built over next 20 years

THE MARYLAND-NATIONAL CAPITAL PARK AND PLANNING COMMISSION

BICYCLE MASTER PLAN

The public is invited to five meetings across the County during September and October 2015 to learn about the details of the Bicycle Master Plan and provide feedback

The [Montgomery County Planning Department](#), part of The [Maryland-National Capital Park and Planning Commission](#), is inviting the community to participate in kick-off meetings during September and October 2015 to learn about the [Bicycle Master Plan](#) and how to get involved in planning a bicycle network for Montgomery County. The meetings will be held in five locations so that County residents can pick the one that is most convenient for them to attend.

The [Bicycle Master Plan](#) will consider the newest types of bikeways, such as separated and buffered bike lanes and bicycle boulevards, as well as secure bicycle storage facilities at transit stations. The network will be developed using an evaluation of the varying levels of stress imposed by traffic on cyclists along each roadway in the County.

The first public meeting will be held from 7 to 9 p.m. on September 8 at Paint Branch High School (14121 Old Columbia Pike, Burtonsville, MD). The second meeting will be held from 7 to 9 p.m. at the Germantown Regional Services Center (Room A, 12900 Middlebrook Road, Germantown, MD).

Three subsequent meetings will take place during September and October in Silver Spring, Wheaton and Bethesda. The different locations allow County residents to pick the one that is most convenient for them so they can more easily participate in the planning process

Each event will consist of a short presentation by County planner and project

Community Bike Rides

WHEATON COMMUNITY BIKE RIDE

PLANNING BOARD CHAIR CASEY ANDERSON (CONFIRMED)

Please join us for a ride around the Wheaton area. Local Residents Peter Gray & Paul Daisey will lead the ride to highlight bicycling conditions along the route. The ride will be at a comfortable pace with several stops along the way. A discussion about the Bicycle Master Plan will follow immediately afterward.

BIKE RIDE:

WHEN: SATURDAY, JUNE 17, 2017

ARRIVE: 9:45 A.M.

DEPART: 10:00 A.M.

RETURN: 11:15 A.M.

WHERE: CAPITAL BIKESHARE STATION ON WEST SIDE OF GEORGIA AVENUE, BETWEEN REEDIE DRIVE AND VEIRS MILL ROAD (PARK AT AMHERST GARAGE, 11304 AMHERST AVENUE).

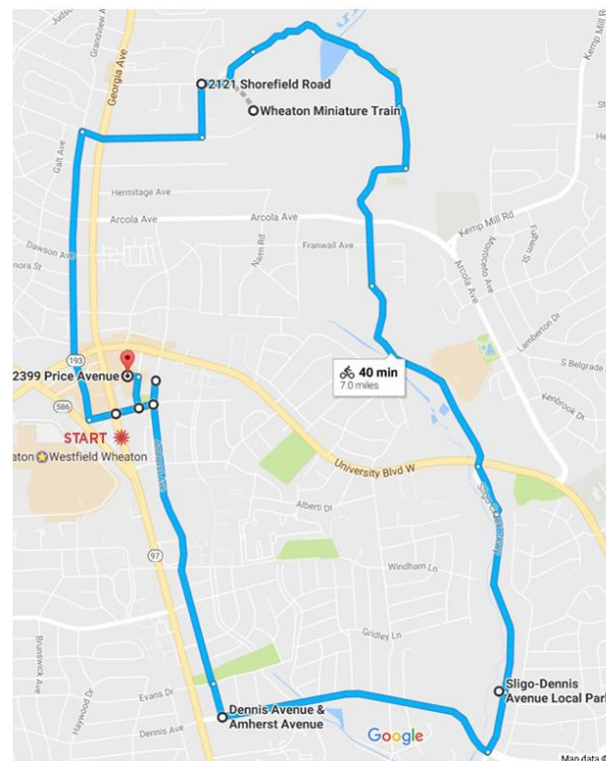

ROUTE: SEE RIGHT

DISCUSSION:

WHEN: 11:30 A.M. - 12:30 P.M.

WHERE: THE LIMERICK PUB (11301 ELKIN ST)

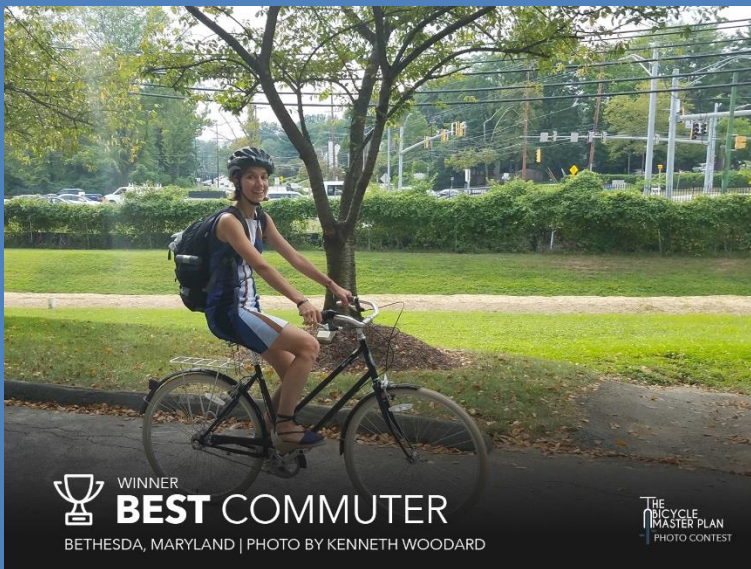

RSVP: DAVID ANSPACHER,
DAVID.ANSPACHER@MONTGOMERYPLANNING.ORG

NOTE:

While this bicycle ride is open to everyone, be advised that some road segments may be uncomfortable and inappropriate for some people. Please consult the Montgomery County Bicycle Stress Map at mcatlas.org/bikestress. Bicycle helmets are encouraged.
