

THE
DELAWARE RIVER
WATERFRONT
CORPORATION

MASTER PLAN PROJECT AREA

DRWC'S DUAL MISSION

Planning / Development

- Design and build high quality public parks, open space and other public amenities, including recreational trails and ecological restoration projects
- Promote and support high quality private investment in new development, including residential, commercial, entertainment, and light industrial
- Connect waterfront to adjacent neighborhoods with new streetscapes, signage, and dramatic lighting schemes

Programming

- Build on existing, highly successful year-round public events such as Spruce Street Harbor Park & Blue Cross RiverRink Winterfest
- Complement DRWC's development mission by generating more demand for and excitement about the riverfront
