Note to buyers:

1. If there is a planted bank in the same MS4 watershed as the development project, credits must be purchased from a bank within the same watershed. If not, you are free to buy credits from any of the planted banks on this list (Forest Conservation Law Section 22A-12(e)(6)).
2. Sale of credits from forest mitigation banks comprised of protected existing forest has been suspended in response to the Maryland Attorney General's report dated October 26, 2020. Please visit [montgomeryplanning.org/forestbanks](http://montgomeryplanning.org/forestbanks) for more information or to view a copy of this report.
3. If you have questions, please call Kristin Taddei at 301-495-4597 or email [Kristin.Taddei@montgomeryplanning.org](mailto:Kristin.Taddei@montgomeryplanning.org).
