

BACKGROUND

On February 12, 2020, the HPC held a hearing on the proposal to install a sign at 6950 Carroll Avenue, Takoma Park. The HPC tabled consideration of the HAWP at that meeting with a continuation of the hearing at the February 16, 2020 HPC meeting.

A representative from the Takoma Park Façade Advisory Board made a presentation at the hearing and included images of two Bank of America Buildings in other historic districts.

Figure 1: Front elevation of the Bank of America in the Concord, MA Historic District.

Figure 2: Bank of America building in the Georgetown (D.C.) Historic District.

Staff recognizes that both of these bank buildings are in historic districts, however, the sign requirements for each of these districts were developed for their unique context. The signage requirements in these two districts are much more strict than those employed in this instance and excerpts of the requirements are attached.

Staff would like to correct the record regarding the allowable sign height. The FAB representative stated

that there was a limit of 30” (thirty inches) for signs in Takoma Park, and a member of the HPC asked Staff to confirm that was the case. Staff has undertaken some additional research which shows. The research shows when the Master Plan Amendment creating the Takoma Park Historic District was adopted there was a City of Takoma Park ordinance (Ordinance No. 2592) that limited signs to a maximum of 30” (thirty inches) tall and to project no more than 8” (eight inches) from the outside face of the exterior wall in Takoma Old Town. These two ordinances are included in the Master Plan Amendment as Appendix B.

This ordinance and Ordinance No. 1985-30, governing Takoma Junction, were combined in 1999 and retained the 30” height limitation. In 2004, the City of Takoma Park adopted the “City of Takoma Park Municipal Code” Chapter 8 of the current City Charter.

The current City Charter (8.40.120) “Signs” states,

“1. Zoning Regulations. All permanent and temporary signage shall be installed and maintained in accordance with the regulations set forth in Montgomery County Code Article 59-F.”

The Montgomery County Zoning Ordinance (59-6.7.9) allows one sign per customer entrance and limits the size of each sign to “2 square feet for each linear foot of building frontage.” Additionally, the zoning ordinance limits the height of 26’ (twenty-six feet).

The FAB met on February 18 and issued a supplemental letter (dated February 19, 2020), attached, with three additional comments.

MONTGOMERY COUNTY HISTORIC PRESERVATION COMMISSION
STAFF REPORT

Address:	6950 Carroll Ave., Takoma Park	Meeting Date:	2/26/2020
Resource:	Outstanding Resource Takoma Park Historic District	Report Date:	2/19/2020
Applicant:	Bank of America (Monica Young, Agent)	Public Notice:	2/12/2020
Review:	HAWP	Tax Credit:	No
Case Number:	37/03-19EEE (Continued)	Staff:	Dan Bruechert
PROPOSAL:	Sign Replacement		

RECOMMENDATION

Staff recommends the HPC **approve** the HAWP application.

ARCHITECTURAL DESCRIPTION

SIGNIFICANCE: Outstanding Resource within the Takoma Park Historic District
STYLE: Beaux Arts
DATE: 1927

Fig. 1: The subject property is at the edge of the historic district at the intersection of Carroll Ave. and Willow Ave.

PROPOSAL

The applicant proposes to replace two signs.

APPLICABLE GUIDELINES

When reviewing alterations and additions for new construction to Contributing Resources within the Takoma Park Historic District, decisions are guided by the Takoma Park Historic District Design Guidelines (*Guidelines*) and Montgomery County Code Chapter 24A (*Chapter 24A*), and the Secretary of the Interior's Standards for Rehabilitation (*Standards*). As this project is also in one of the two commercial districts in Takoma Park review of the project shall be guided by the *Design Guidelines for Commercial Buildings in the City of Takoma Park, Maryland*.

Takoma Park Historic District Design Guidelines

There are two very general, broad planning and design concepts which apply to all categories. These are:

The design review emphasis will be restricted to changes that are at all visible from the public right-of-way, irrespective of landscaping or vegetation (it is expected that the majority of new additions will be reviewed for their impact on the overall district), and,

The importance of assuring that additions and other changes to existing structures act to reinforce and continue existing streetscape, landscape, and building patterns rather than to impair the character of the district.

Outstanding Resources have the highest level of architectural and/or historical significance. While they will receive the most detailed level of design review, it is permissible to make sympathetic alterations, changes, and additions. The guiding principles to be utilized by the Historic Preservation Commission are the *Secretary of the Interior's Standards for Rehabilitation*

Specifically, some of the factors to be considered in reviewing HAWPs on Outstanding Resources:

Plans for all alterations should be compatible with the resource's original design; additions, specifically, should be sympathetic to existing architectural character, including massing, height, setback, and materials

Emphasize placement of major additions to the rear of existing structures so that they are less visible from the public right-of-way

While additions should be compatible, they are not required to be replicative of earlier architectural styles

Preservation of original and distinctive architectural features, such as porches, dormers, decorative details, shutters, etc..is encouraged

Preservation of original windows and doors, particularly those with specific architectural importance, and of original size and shape of openings is encouraged

Preservation of original building materials and use of appropriate, compatible new materials is encouraged

All changes and additions should respect existing environmental settings, landscaping, and patterns of open space

Montgomery County Code, Chapter 24A Historic Resources Preservation

(b) The commission shall instruct the director to issue a permit, or issue a permit subject to such conditions as are found to be necessary to insure conformity with the purposes and requirements of this chapter, if it finds that:

- (1) The proposal will not substantially alter the exterior features of an historic site or historic resource within an historic district; or
- (2) The proposal is compatible in character and nature with the historical, archeological, architectural or cultural features of the historic site or the historic district in which an historic resource is located and would not be detrimental thereto or to the achievement of the purposes of this chapter; or

(d) In the case of an application for work on an historic resource located within an historic district, the commission shall be lenient in its judgment of plans for structures of little historical or design significance or for plans involving new construction, unless such plans would seriously impair the historic or architectural value of surrounding historic resources or would impair the character of the historic district. (Ord. No. 9-4, § 1; Ord. No. 11-59.)

Secretary of the Interior's Standards for Rehabilitation

- 2. The historic character of a property will be retained and preserved. The removal of distinctive materials or alteration of features, space and spatial relationships that characterize a property will be avoided.
- 9. New additions, exterior alterations, or related new construction will not destroy historic materials, features, and spatial relationships that characterize the property. The new work shall be differentiated from the old and will be compatible with the historic materials, features, size, scale and proportions, and massing to protect the integrity of the property and its environment.
- 10. New additions and adjacent or related new construction will be undertaken in such a manner that, if removed in the future, the essential form and integrity of the historic property and its environment would be unimpaired.

STAFF DISCUSSION

The applicant proposes to replace the internally illuminated commercial signs on the east and west building elevations with new internally illuminated signs with rectangular 'cabinet' backgrounds.

The existing signs are internally illuminated channel letter signs with the Bank of America logo. The new sign will have an updated Bank of America title and logo on a white background panel with a red border.

	East Sign	West Sign
Existing	25' × 3'	19' 1" × 2' 4"
Proposed	21' 3 3/8" × 3' 6 3/4"	15' 9 3/8" × 2' 7 1/2"

Based on a review of permit applications for the subject property, these signs were installed in late 1999 or early 2000.

The proposed signs will have internally illuminated channel letters applied to a "garbo silver" i.e. light grey, rectangular 'cabinet.' The signs will project 6 1/16" (six and one-sixteenth inches) from the building wall. The letters on the East sign will be 9" (nine inches) tall and the letters on the West sign will be 1' (one foot) tall.

The larger, east sign will be installed on top of the entablature which, based on the color of the stone, is not the original building fabric. This location is, however, where signage for the bank building would have been historically located. Staff finds the proposed location for the east sign is appropriate. The proposed sign, with its surrounding cabinet, will obscure no more of the building materials than the existing sign. Staff finds the materials comply with the *Design Guidelines for Commercial Buildings in the City of Takoma Park, Maryland* (attached) which identifies both acrylic and aluminum as appropriate materials for signs in the commercial areas of the Takoma Park Historic District. Additionally, while the commercial *Design Guidelines* state a preference for externally lit signs, they do permit the use of individually lit characters. Staff finds that the proposed east sign is compatible with the surrounding commercial section of the historic district.

The proposed sign on the western elevation will be installed in the same location as the existing sign, utilizing the same electrical conduit. This sign is near the cornice adjacent to an alley access to the subject property's parking area. Like the proposed sign for the east side, this sign will utilize the existing electrical conduit and mounting points. Staff finds the proposed placement for this sign is appropriate. As with the east sign, Staff finds that the proposed design and materials are compatible with guidance provided in the *Design Guidelines for Commercial Buildings in the City of Takoma Park, Maryland*.

At the December 10, 2019, Façade Advisory Board (FAB), the FAB considered the application and voted to disapprove the application with the following comments (letter attached). The applicant's responses follow:

1. The sign should be made of historically appropriate materials
Bank of America signage is constructed from aluminum and acrylic. The proposed signage complies with the list of materials allowed by the Commission and represents Bank of America's brand. Production drawings are included for more details. We feel internally illuminated signage creates a cleaner look for the building while assisting customers in finding the branch. External lighting, or gooseneck fixtures, require additional building penetrations and increase the busyness of the façade.
2. The sign should be monochromatic
Bank of America prefers to keep full-color signage as its federally trademarked brand colors are important in customer recognition.
*Note: the HPC does not regulate color.
3. Any lighting for the signage should be a warm light temperature.
The specified LED temperature was consciously selected to represent the brand colors at night. Photo examples of illuminated signage provided.
4. Installation needs to reuse existing alterations to the stone.
The installation will utilize existing penetrations for attachment and conduit. Additional penetrations are necessary but will be kept to the minimum. It does appear replacement material was used on the elevation facing Willow Ave. (the east elevation).
5. The Board would like to see examples of Bank of America signs in other historic districts to see how the signage can be modified.
Bank of America only recently rolled out the image in this submittal. Unfortunately, we do not have examples of the new brand image in alternative formats.

Staff finds that the proposed sign will replace a contemporary designed sign with another, generally, in matching dimensions. The sign placement is historically appropriate and, while the materials are modern, they are determined to be appropriate by the *Design Guidelines for Commercial Buildings*. As this the proposed signs are replacements, utilizing the existing conduit and wall penetrations will do little damage to the building and would be easily removed in the future. Staff recommends approval of this HAWP.

STAFF RECOMMENDATION

Staff recommends that the Commission **approve** the HAWP under the Criteria for Issuance in *Chapter 24A-8(b)(2), (c), and (d)*, and having found that the proposal will not substantially alter the exterior features of the historic resource and is compatible in character with the district, the *Takoma Park Historic District Guidelines*, and *Design Guidelines for Commercial Buildings in the City of Takoma Park, Maryland*; and the purposes of *Chapter 24A*;

and with the *Secretary of the Interior's Standards for Rehabilitation* #2, #9, and #10,

and with the general condition that the applicant shall present the **3 permit sets of drawings, if applicable, to Historic Preservation Commission (HPC) staff for review and stamping** prior to submission for the Montgomery County Department of Permitting Services (DPS) building permits;

and with the general condition that final project design details, not specifically delineated by the Commission, shall be approved by HPC staff or brought back to the Commission as a revised HAWP application at staff's discretion;

and with the general condition that the applicant shall notify the Historic Preservation Staff if they propose to make **any alterations** to the approved plans. Once the work is completed the applicant will contact the staff person assigned to this application at 301-563-3400 or dan.bruechert@montgomeryplanning.org to schedule a follow-up site visit.

COMMERCIAL SIGNS

Signs help draw customers inside businesses and play a crucial role in maintaining the character of the Old Georgetown Historic District. The Old Georgetown Board (OGB) reviews the compatibility of new signs by considering the type, size, location, material, and illumination on sign applications. The District's Department of Consumer and Regulatory Affairs (DCRA) regulates the installation of signs, controlling the number, size, location, and materials. All new signs in Georgetown must not exceed allowable signage area permitted by D.C. Building Code and must be consistent with the [D.C. Historic Preservation Office sign guidelines](#); OGB recommendations may be more restrictive than what D.C. regulations allow.

GENERAL CRITERIA

SIZE

- Letters and logos should be no taller than 12 inches.

LOCATION

- Signs should not obstruct or damage architectural features or ornament.
- One principal sign per street façade per business; storefront or door decal signs should be limited in size and related to operation hours and secondary information.
- Wall signs are appropriate for most ground-floor businesses; blade signs are appropriate for non-ground-floor businesses or where retail frontage is not on the street. Banner signs may be installed at Cady's Alley and considered on a case-by-case basis elsewhere.

CONTENT

- Limit text to the name of the business and trade; listing of products or services is not compatible.
- Hours of operation and secondary information may be displayed on storefront or door, but not on main sign.
- No more than two colors, including black or white.
- No trademark symbols or visual clutter.
- One line of text in business name is preferred.

ILLUMINATION

- Due to the high level of street lighting in the historic district, non-illuminated signs are preferred.
- Internal illumination, uplighting, new neon signs, and visible raceways, conduits, and junction boxes are not allowed.
- If light fixtures are used, they should be as small and minimal in number as possible.
- Halo lighting or reverse-channel lighting may be considered appropriate.

MOUNTING

- Signs must be carefully mounted in such a way as to minimize damage to the building, including installing through mortar joints or using non-staining removable epoxy or non-staining structural silicone.

ADDITIONAL REQUIREMENTS BY SIGN TYPE

WALL AND WINDOW

- Window signs should not obstruct interior views, should not contain redundant information with main sign, and should not contain tag lines.
- Pin-mounted and reverse-channel-letter signs may be installed on a panel to minimize wall penetrations.

BLADE

- Must be rigid and may not pivot or swing back and forth.
- Must have a minimum clearance height of 8 feet.
- Brackets on fabric banner signs must be no longer than the width of the banner. It is preferred that brackets are terminated with simple flat ends.

AWNING

- Signage should be limited to valance and should be no taller than 12 inches.
- Should be made of treated, weather-durable fabric.
- Should have no sides and no enclosed underside.
- Shape must correspond to and fit within the opening at which it is installed.
- Should not be illuminated, internally or externally.
- Must have a minimum clearance height of 8 feet.

HISTORIC

- While abandoned signs from recent tenants should be removed, retention of historic signs is encouraged. Historic signs do not reduce the amount of allowable signage.

TEMPORARY

- Temporary signs are defined as signs that will be in place less than 60 days and are reviewed by the DC Historic Preservation Office. Any sign that will be in place for more than 60 days must be reviewed by the OGB.
- The Board strongly discourages visual clutter in the public space, such as sandwich boards.

From Concord, MA Historic District Design Guidelines

- Recent photographs of the existing building; and,
- If custom shutters are proposed, detailed architectural drawings may be requested.

Siding

Original siding material should be retained whenever possible. Deteriorated material should be repaired or replaced with new material that duplicates the original as closely as possible.

Appropriate siding materials within the Historic Districts include wood clapboard and shingles, brick, and on certain historical styles, stonework, rusticated boarding (but not pressed board siding), and fishscale or other decorative shingles. The type of siding to be used should be determined by the architectural period and style of the building or structure, with consideration given to any historic additions or alterations made over time.

The removal of non-original siding materials such as vinyl and/or aluminum trim and clapboards is always encouraged. As previously noted in the **Materials** section, vinyl and aluminum sidings are never considered to be appropriate within the Historic Districts because they do not adequately replicate the appearance of the original (wood) materials and can have other serious disadvantages for historic buildings. Siding made from composite materials may be appropriate in certain very specific and limited circumstances.

Please also see the **Materials** sections for additional information.

To Apply for New Siding:

All applications for new siding should include:

- Historical information and photos to document the authenticity of the shutters (if available);
- Paint chips for all exterior surfaces;
- Recent photographs of the existing building; and,
- If an alternative material is proposed, manufacturer's information on the proposed new siding including information on its installation. Material samples may be requested as part of this process. Photographs of product samples may also be requested.

Signs

Signage design, materials, and location should reflect the architectural context of the building for which a sign is proposed. A sign should identify primary information such as the name or function of a business.

Signage is one of the most prominent visual elements in a streetscape. Concord

From Concord, MA Historic District Design Guidelines

businesses rely on signs to provide information regarding products and services. These signs should express the special character of the associated business and be of a size that is in scale with the building and surrounding streetscape. Carefully designed and crafted signage can enhance and add visual interest to the Historic Districts' commercial center.

A sign is any structure, device, letter, word, model, banner, pennant, insignia, trade flag or representation used as, or which is in the nature of, an advertisement, announcement or direction. All signs, no matter what their form or proposed location, must be reviewed and approved by the HDC. Typical sign styles include, but are not limited to: blade signs, wall/lintel signs, post signs, awnings, window signs, directory signs, flags, menu boxes, chalkboards and temporary signs.

Applicants should begin the application process by evaluating the existing signs in the vicinity to determine how a new sign can be designed to retain the visual harmony of the area. The basic design, color, size and scale of a sign, as further described below, help to determine whether it integrates into the architectural character of a building and the overall streetscape.

Size and Location

The appropriate size of a sign is determined by its proposed location on the building and the size of any surrounding signs, as well as by the building's proportions and the architectural character of the street and neighboring buildings. Many of Concord's commercial buildings were designed with a horizontal lintel or "sign space" across the top of the storefront. Where no "sign space" exists on a building, a wall sign or a blade sign may be more appropriate.

Signs should be located at or near the public entrance and should not cover, obscure, or visually detract from the existing architectural features and proportions. New signage should always be installed so that it can be removed without damaging or permanently altering the building or its architectural elements. Signage should be visible, but it should not dominate the façade of a building and should not obstruct the visibility of surrounding signs. Applicants should also take care to avoid adding too many signs to an area as this can create visual clutter in the streetscape which detracts from its historical integrity and is inappropriate to the Historic Districts.

Any sign that is moved to another location, whether on the same structure or to another site, shall be considered a new sign and a new approval will always be required.

Material, Lettering and Color

The material of a new sign should reflect its historic context. Wood signs are generally preferred. Synthetic material (composite) signs may be allowed under specific conditions and circumstances. All sign surfaces must be painted. Both the sign's material and paint are expected to be durable and appropriate for outdoor use, and should maintain their appearance for the life of the sign.

Lettering which is traditional in appearance and style and has an historic precedent is preferred. Serif fonts (a font that includes the fine lines that finish the main strokes of a letter) are historically appropriate and are recommended. Raised or carved letters are also

From Concord, MA Historic District Design Guidelines

recommended. Raised, cove, or beveled sign edges are strongly recommended. Lettering on signage attached to building facades should be no more than 12” high. Vinyl lettering is generally discouraged within the Historic Districts.

A darker background with lighter lettering and graphics is encouraged as traditional and historically appropriate. Gold lettering and ornamentation are also historically appropriate.

Content

A sign should provide the name of a business or facility, the nature of the business or service conducted on the premises, the street number of the premises, and/or the year the business was established. Signage in Concord should generally not be used to list specific products or services. Signs should never include the telephone number, email, or web address of a business; its rates; or other business locations.

Corporate Logos

Corporate logos, whether for a single storefront or a retail chain, did not exist at the time Concord’s historic structures were built and are generally discouraged. Corporate logos can hasten the transition to a suburban or urban appearance, overpowering the more subtle historic features of a building, structure, or district. Franchised companies and organizations with trademarked or registered logos may be asked to modify their signage to address these concerns and are encouraged to consider a simple text treatment as discussed above.

Sign Support

Sign brackets and standards were traditionally made of wrought iron or wood and these materials are still encouraged today. A sign bracket should extend the full length of the sign. Applicants who wish to use sign supports should include the specifications for the support (including dimensions, materials, design and colors) in the sign application.

Lighting

Lighting of signs within the Historic Districts is strongly discouraged. When lighting is absolutely necessary, it must be exterior to the sign and in accordance with the HDC’s guidelines for lighting.

Concord’s Sign Bylaw

Applicants should note that the HDC’s review is in addition to, and not instead of, the Town’s existing Sign Bylaw which places specific limits and requirements on the number, location, and type of signs that can be installed anywhere in Concord. The HDC may impose additional requirement or conditions on signage within the Historic Districts. Please consult the Building Division and Concord’s Sign Bylaw to confirm compliance with these regulations prior to completing any HDC application for signage.

Please also see the **Architectural Elements, Awning, Lighting, Materials and Storefronts** sections for additional information.

From Concord, MA Historic District Design Guidelines

To Apply for New Signs:

All applications for new sign(s) should include:

- Scaled drawing(s) of the proposed sign(s) including the lettering type, layout, material, artwork, and colors;
- Photograph(s) or scaled drawing(s) depicting the sign's proposed location on the building;
- Material samples may be requested if an alternative (synthetic) material is proposed;
- Paint chips for all proposed signage colors; and,
- Recent photographs of the existing building.

Skylights

Skylights should always be low profile in design and installed in areas that are not visible from any public way.

Skylights are contemporary architectural elements which are out of keeping with the architectural character of most historic structures and so are strongly discouraged. Skylights may be approved in certain specific circumstances, though, if it can be established that the proposed skylights are appropriate for the architectural style of the building, or if the skylight can be significantly screened from view. Skylights should never be installed on the front or street-facing slope of a roof but should be located on the rear roof plane, ideally in an area which is not visible from any public street, way, or place. Any new skylight should be flat or low profile in design to blend in with the existing roof plane as much as possible. Curved plastic or bubble skylights draw unnecessary attention to the element and are never appropriate within the Historic Districts.

Skylights can also produce unwelcome and unnecessary light spillage, which can negatively impact the streetscape as a whole. In reviewing skylights, the nighttime appearance with interior illumination will be considered as well as the daylight appearance. Approval may also be conditional on vegetative or other screening to avoid light spillage visible from the public way

To Apply for a New Skylight:

All applications for new skylights should include:

- Manufacturer's information on the proposed new skylight which includes the material, color, dimensions, and profile height of the fixture. Material samples may also be requested as part of this process. Photographs of product samples may also be requested;
- Recent photographs of the existing building and specifically the area(s) to be altered; and,
- In some cases, detailed architectural drawings and/or sections may be required to show how and where the new skylight will be installed.

Chairman Sandra Heiler
Historic Preservation Commission
8787 Georgia Avenue
Silver Spring, MD 20910

RE: 6950 Carroll Avenue, Takoma Park, Maryland – Bank of America signage

Dear Ms. Heiler,

The Takoma Park Façade Advisory Board met on February 18, 2020 to review again the design proposal for 6950 Carroll Avenue, Takoma Park, Maryland. The proposal is to be considered by the Historic Preservation Commission. The Board submits this letter as a supplement, with additional information, to support the project review letter dated 12/11/2019 for the Bank of America signage.

On February 18, 2020, the Takoma Park Façade Advisory Board passed the following resolution:

The Board voted to disapprove the application as submitted for this 1927 Beaux Arts building, an outstanding and rare resource in Takoma Park, with the following comments:

- 1. The box style signage with the white background is architecturally incompatible with the building.**
- 2. The height of the sign violates the 30-inch maximum as specified in the Takoma Park Master Plan for Historic Preservation.**
- 3. As part of the signage and rebranding package, the obscurement of the “Takoma Park Bank” sign on the Carroll Avenue façade should be removed and the limestone should be repaired and restored. The white panel covering part of the original letters is the vestige of a previous sign on the building. See attached news articles showing the original sign.**

Thank you for the efforts of the Commission to preserve the unique architectural character of our historic business district. If you have questions regarding the Board’s action, please call me at 301-891-7205.

Sincerely,

Community Development Manager

**ARMORY-FIRE-
MEN FETE SAT.****Silver Spring Ready For
Ritchie, Dedication
And Firemen.****PARADE STARTS AT 2**

SILVER SPRING, MD., August 17.

Plans are practically complete for the biggest day in Silver Spring's history Saturday when the Firemen's Jubilee and dedication of the handsome new state armory will take place. The afternoon's festivities are scheduled to start at 2 p.m. with a gigantic parade while will form in the street directly west of the Woodside School, proceeding south on Georgia ave. to Falkland Drive, northeast to Sligo ave. west on Sligo ave. to Georgia ave. and north to the state armory in Montgomery ave. The First Infantry, Maryland National Guard, will join the parade as it passes the old armory at Georgia and Silver Spring aves., proceeding with the procession to the new armory, where the unit will participate in the elaborate dedication ceremonies, which will follow the firemen's contests. Governor Albert C. Ritchie will be the principal speaker at the dedication ceremonies. Others who will speak are Representative Frederick N. Zihlman, Milton A. Reckord, the commanding general, Maryland National Guard; Colonel D. John Markey, commander, First Regiment, Maryland National Guard; B. Horace Ford, president of the Maryland State Firemen's Association and other prominent speakers will address the gathering on behalf of the firemen. Following the parade a hook up contest will be held in Montgomery ave., adjacent to the new armory. This contest will be participated in by as many of the 40 visiting fire departments as care to compete. A handsome trophy has been contributed by the Silver Spring Chamber of Commerce for the Montgomery County department making the best showing in the contest. A silver loving cup will also be awarded to the department making the best time in the "Free for all hook up test." Prizes will also be awarded to the company placing the best piece of apparatus in the line of parade; for the best equipped chemical truck (non-rumper) in the parade; and for the best float appearing in the line of parade. Sergts. A. J. Bargagnani and D. F. Sullivan of the Washington Fire Department will act as judges in the various contests.

(Continued on Page Two)

**Fire Destroys Garage
And 3 Auto Trucks**

Fire of unknown origin destroyed one of the garages of the Columbia Brick & Coal Company shortly after midnight Sunday. It was discovered by Messrs. Walter and Alden Whitney, brothers, who were going to the latter's home following an evening spent at Mr. Walter Whitney's home in Holly avenue. They noticed the smoke and upon investigation found that the garage was ablaze. Officer Earl Burdine turned in a District alarm and Mr. Whitney called out the local fire-fighters. The blaze was quickly extinguished by the District firemen, who responded promptly, as did the local men, to the alarm. The loss, estimated to be around \$5,000, is fully covered by insurance said Mr. James H. Campbell, treasurer of the Columbia Brick and Coal Co.

**Liberty Grove Grange Tour-
nament Won by A. C. Daly**

The Liberty Grove Grange held its fourth annual picnic in the grove at Burtonville on Saturday, August 13. More than 3,500 people witnessed the joyful event. The tournament began promptly at 1 p.m. A. C. Daly of Virginia, riding as "Knight of Shady Oaks," carried off first honors; J. L. Aitchison, "Knight of Limber Loss," came second; Arthur Beall, "Knight of Fair View," third, and W. J. Aitchison, "Knight of Seven Knolls," fourth. Mr. S. J. Athey acted as chief marshal. The judges were the Messrs. R. L. Aitchison, Geo. Sellers, Commissioner Lacy Shaw, Mrs. Arthur Beall and Miss Emma Snyder. Miss Mosele L. Downs and Mrs. J. L. Aitchison served

**To Organize Local
Business Association**

A number of business men of Takoma Park, Md., are developing interest in the organization of a Takoma Park, Md., Chamber of Commerce and a meeting was held last night at the fire house when plans were discussed looking to a booster campaign for Takoma Park. The matter of telephone service and the widening of Carroll ave. were items discussed.

Mrs. Nellie H. C. Taylor, 120 Albany ave., is a guest of her niece, Mrs. L. B. Schneider of Fort Wayne, Ind. Mr. and Mrs. William H. Martin, 130 Willow ave., left yesterday for Atlantic City, N. J., where they will stay for two weeks.

Mr. and Mrs. Hollis Andrews have moved into their new home, 217 Sligo Parkway, West, Wildwood.

**COUNTY FAIR
OPENS TUESDAY****75th Annual Exhibit of
Montgomery Co. Agri-
cultural Society.****AUGUST 23, 24, 25, 26**

During the coming week all but the most necessary work will be suspended in Montgomery County—all except what is needed to keep in motion the well laid plans of the Montgomery County Agricultural Society in celebrating the Seventy-Fifth anniversary of the organization of the institution known far and wide—and favorably, as the "Rockville Fair."

The Diamond Jubilee of this honorable association will open on Tuesday morning, and as has been the custom, this will be "Children's Day" when all of the school children of Montgomery and nearby counties as well as those from the District of Columbia, will be admitted to the fair grounds free of charge. And the day's program will be devoted largely to displaying and judging the exhibits of the fine boys and girls who do things worth while and want the world to see how well these things are done.

Mr. C. L. Gilpin, president of the society has had a force of men at work for some time placing the fair grounds and tracks in first-class condition and promises the best program of entertainments and racing that has ever been given by the organization.

A splendid racing card will be run on Wednesday, Thursday and Friday, a dog show and a horse show will be features of the fair that will last through Friday, with fireworks Tuesday, Wednesday and Thursday nights, and the annual Fair Dance will be given on Thursday night.

Special entertainment features have been engaged to amuse the great throngs that are expected to be on hand this year, and, of course, as is usual, Thursday will be the "Big Day" of the exhibition.

Ample parking space is provided inside the grounds and meals may be had for a nominal price. The Current Comment Club will again have a luncheon counter on the grounds, the funds received going to the Social Service League of Montgomery County.

**NEW \$175,000 TAKOMA
PARK BANK BUILDING TO BE
FORMALLY OPENED TONIGHT****Local Institution, Ten Years Old, Moves Into Beau-
tiful Colonial Type Home Tonight. Is Among
Strongest Banks in This Section.****OFFICERS AND DIRECTORS TO GREET PUBLIC****H. F. TAFF,
President****W. PRESTON GIBSON,
Vice-President-Cashier****E. BROOKE LEE,
Vice-President****DAVID FELDMAN,
Vice-President**

Tonight, from 8 to 10 o'clock, the officers and directors of the Takoma Park Bank will hold open house and have invited the community to inspect their handsome new \$175,000 banking house, located at Carroll and Willow aves.

The beautiful structure, artistic in all departments and one that would do credit to any city or community, has its main entrance on Carroll ave. and every modern convenience known to architects and builders has been drawn to create a banking house that would meet the requirements of the efficient, present-day business organizations.

Entering the building into a com-

modious foyer, one sees a long row of windows properly labeled, at which the various banking transactions may be conducted, while on the right of the entrance is located the office of the vice president and cashier, W. Preston Gibson. On the left of the entrance is a section set apart for women who desire to attend to their banking details in private. Ample facilities are provided for the book-keeping department and on a mezzanine floor is found the meeting room of the directors.

The large vault set in the west side of the building is guarded by an imposing metal grill that is both artistic

(Continued on Page Three)

**News Items of Interest for
and About Local People**

Mr. and Mrs. John Ballenger and family, 250 Maple ave., spent Sunday at Chapel Point, Md.

Mr. and Mrs. H. F. Taff, 115 Maple ave., spent Sunday at the summer cottage of Mr. and Mrs. Walter W. W. Cruik at Cobb Island.

Young John Matson, son of Mrs. Raymond Matson, 240 Maple ave., returned Saturday night from Bridgeport, Conn., where he visited his grandmother.

Mrs. Jesse J. Ramsdell, 248 Maple ave., entertained at luncheon Wednesday in honor of Mrs. Edwin Irey, formerly of Takoma Park.

Mr. and Mrs. A. B. Montgomery, 55 Sycamore ave., have returned home from North Beach Park, where they had a cottage for two weeks.

Mr. Harvey A. Dickson of Baltimore, Md., spent last week end as the guest of his son, Mr. Horace Dickson, 230 Maple ave.

Mrs. Margaret Bain, 6919 6th st., returned home from Atlantic City last Wednesday. Mrs. Bain also visited relatives in North Carolina and spent several days in Niagara Falls and in Canada.

Miss Alice Orton, 500 Cedar st., left the early part of the week to visit relatives in Vermont.

Mr. and Mrs. Harry E. Reed and four daughters of Akron, Ohio, have been recent guests in the home of Mr. Reed's brother, Mr. Clarence A. Reed, 109 Chestnut st.

Born in El Paso, Tex., July 30, a daughter to Mr. and Mrs. Harlan Walker, Mrs. Walker is well known to Takoma young people, having spent some time in the home of Mr. and Mrs. James S. Dennis, 715 Van Buren st., when she was Miss Anita Rother. Mr. Walker is also well known to the community, being a brother of Mrs. Dennis.

Mr. Ralph W. Brown of the Sligo Mill rd. is seriously ill with typhoid fever.

Mr. and Mrs. Robert Young, for many years residents of the Park at 6961 Maple st., and later at their new home at 120 Chestnut ave., and who have lately been in Florida, have gone to Savannah, Ga. Their present address is 320 East 49th st., but on completion of their new home it will be 721 East 49th st.

The Maryland News will make its initial appearance on Thursday, August 25, one day in advance of the usual day of publication because Thursday is the "Big Day" at the Rockville Fair. Future publications will be on Friday of each week, the publication day of The Takoma News, which is being absorbed by the new publication, and which appears today for the last time—as The Takoma News.

The Takoma Park office of the Maryland News will be opened this week at 32 Carroll avenue with the former owner of The News in charge. The telephone number of the new office is Shepherd 3111.

The Silver Spring office is located in the room adjoining the Silver Spring Building Supply Company, and the telephone numbers are Silver Spring 459 and Shepherd 3172. Offices of The Maryland News will be opened at Rockville and Bethesda.

**PETITIONS FOR
GAS STATIONS****Council Asked to Permit
Two Filling Stations
In Carroll Ave.****HEARING SEPT. 19TH**

Following the filing of two petitions seeking permission to build gasoline stations, one at Carroll & Elm ave. and the other at Carroll & Tulip aves., and hearing petitions read supporting and others in opposition to the requests, Mayor Davis and Council, sitting Monday night in regular monthly public session in the basement of the Presbyterian Church, ordered that a hearing be held on Monday, September 19, the regular meeting date of council, when all interested parties will be heard, for or against the proposal to grant permits to the petitioners to erect gas stations and operate them. Mr. J. F. McKenney wants to build the gas station at Carroll & Elm aves. and Alexander Sterling and A. Glickman wish to build at Carroll and Tulip aves.

J. R. King filed a petition to have lot 31, block 19, located at Denwood and Carroll aves., rezoned for business purposes. The petition was sent on to the Civic Improvement Committee for appropriate action.

The condition of Carroll ave. paving was discussed and the best means of correcting the dangerous conditions were considered. The question came up by the filing with council by the Cranford Paving Company of a bid to grade Carroll ave. from the District Line to the Sligo Bridge for \$6,250, making the total cost of grading the street and laying a new concrete pavement \$48,000. Previous discussions were based on the assumption that it would cost around \$24,000 to grade the street. Following a statement by a representative of the Portland Cement Company, Mayor Davis

stated that since Captain C. V. Johnson, chairman of the Street Committee, was out of town, and that arrangements had been made with the engineers of the Capital Traction Company to make the repairs necessary in their section of the street, the plan of patching the concrete and top dressing with amosite, a bituminous product would probably be put into effect. By this plan it will cost the town about \$7,000, the county government agreeing to stand the cost of top dressing, \$23,000.

Council also adopted an ordinance

(Continued on Page Seven)

**St. Mary's Church,
Aspen, Chicken Dinner**

In commemoration of the opening of the new parish hall of the St. Mary's Episcopal chapel, Aspen, a chicken dinner will be served from 5 to 8 tonight. This is the annual picnic date of the Aspen folks and is usually well attended. A baseball game will start at 4 p.m. Everybody is invited to join the mid-county folks in having a good time.

Mr. E. Brooke Petty, 146 Carroll ave., has been entertaining relatives from West Virginia.

Mr. R. A. Collins, 246 Maple ave., returned home from Chesapeake Beach where he attended a fishing party.

Mr. Harry Dodge and family, 252 Maple ave., returned home Monday evening from Norfolk, making the trip by auto.

**Georgia Ave. Subway Plans
Are Adopted by the C. of C.**

During the early summer the Maryland Public Service Commission passed an order approving the abandonment by the Washington Railway & Electric Company of its single track street railway service between the District Line and Forest Glen. This action was premised upon the action of the State Roads Commission which relieved the W. R. & E. Co. of paying approximately \$30,000 towards the cost of the subway under the B. & O. Railroad at Silver Spring, in return for which the electric company deeded to the State Roads Commission the right of way between the District Line and Georgia ave. and North Woodside, where the former street car right of way leaves the state road, and dedicated

the balance of its right of way to the County Commissioners of Montgomery County.

The Commissioners propose to build an improved macadam highway over the section of the abandoned right of way between North Woodside and Forest Glen allowing for a bus loop from the District Line by way of Linden and the Forest Glen-Georgia ave. road.

This abandonment of the street railway right of way leaves an opportunity to rearrange the space within the subway and makes it possible to determine the final plan of improvement for Georgia ave. between the District Line and the intersection of the Coleville-

NEW TO THE LINE—LET THE CHIPS FALL WHERE THEY MAY

The completion and occupancy of the handsome new home of the Takoma Park Bank building is a matter of great moment to the community. The building is a splendid example of pure Colonial type and includes the best that modern thought can bring to the completed structure, embodying as it does every modern device known that makes for efficiency in the conduct of the banking business and every safeguard known protects the money and other valuables in the hands of the bank. It is a matter of congratulation to the community, and to the men responsible for the successful conduct of the undertaking it stands as a monument to their ability, and of their faith in the future of the community.

The financial institution has grown in ten years to a commanding position in the ranks of the banks of this section and its present strong position is deserving of commendation and praise. To the men responsible for the same, safe conduct of the business of the bank, theirs is the glory and honor, and satisfaction of knowing that a task has been well done and that they have played their part in the drama.

The News is published today simultaneously with opening of the new bank building.

The Takoma News passes out with this issue and gives way to what is confidently expected to be a larger, better paper, The Maryland News.

The first issue of the new paper will appear on Thursday next, and we hope that all of our firm friends will hold fast to a companionship that has been a source of much pleasure and satisfaction to us, and we hope to them.

Takoma Park is gaining a better paper, one that will more competently serve the fast growing section covered by The Takoma News. The rapidly developing section requires a larger service and only by organization could that service be rendered.

It will be our pleasure to be in "on the makings" of what we all hope will prove to be the most efficient weekly newspaper published in this section of the country.

Mrs. O. A. Miller and Miss Martha Miller of Montville, N. J., are guests this week in the home of Major and Mrs. Frank Moorman, 6905 Fifth st.

Captain and Mrs. Clifford Cuny who formerly lived on Holt place, but have recently been stationed in Boston, have returned to the Park and taken the residence at 6707 2d st. Captain Cuny is with the Signal Corps.

Mrs. Harry K. Hobart and son, Fred, 7204 Chestnut st., are spending some time at Wildwood, N. J. Mr. Hobart joined them for the week end last week.

receiving congratulations on the birth of a baby daughter, born Monday.

Mrs. Wm. E. Matter is a patient at Sibley Hospital, and according to reports will remain there for several weeks before she will be sufficiently recovered to return to her home.

Mr. and Mrs. Donald M. Heizer are entertaining a new son, born last Wednesday at Sibley Hospital. Mrs. Heizer was formerly Miss Mary Claxton.

Mr. and Mrs. Wm. J. Kelly and children are home after spending a week at Patuxent Beach. Mr. Kelly, who is assistant national bank examiner stationed in the Atlanta Ga. district, will remain a few days longer before returning to his employment.

Mrs. Mary A. Harmon returned home recently from Garfield Hospital considerably improved in health.

Mr. and Mrs. E. D. Jones have returned to the Spring after spending several weeks in the mountains near Blount, Va.

O. A. Herriman and children spent Tuesday at Leonardtown, Md.

Miss Sally B. Cissel is spending a few days with friends in Howard County, Md.

Capt. Frank L. Hewitt and son Jimmie piloted a party of friends to Galesville, Md., Friday for a fishing trip. Capt. Hewitt is authority for the statement that 165 fish, mostly Norfolk spots and trout, were lured into the boat by the Isaac Walton method. Jimmie, the youngest member of the party, had the honor of landing the largest fish, a six-pound trout.

Maj. E. Brooke Lee returned Tuesday much sunburned from a week's outing at the family's summer home at Nonquitt, Mass.

Misses Virginia Thompson, Virginia Beall and Mildred Lutes are leaving Saturday for a week's outing at Kamp Kahler, the Y.W.C.A. camp for girls on West river, Maryland.

(Readers of this column may continue to leave news items with Mr. Fred L. Lutes at the Silver Spring National Bank. The regular Silver Spring column will continue to be a feature of the Maryland News, successor to The Takoma News.)

Miss Katherine Scribner, 6912 6th st., who has been in the Cornell summer school will go for a week's outing at Cape May before returning home.

Dr. and Mrs. Hayes of Pittsburg, Pa., are guests in the home of their daughter, Mrs. J. V. McNary, 114 Park ave.

Dr. and Mrs. Samuel H. McCrory and daughters, Misses Dorothy and Ruth Roberta, 6811 6th st., left Sunday morning for an auto trip to Maine.

SANDY SPRING.

Miss Dorothy Wetherald entertained several tables of bridge in honor of her guests, Mrs. Robert P. Wetherald and Miss Ida Sullivan.

Mr. and Mrs. Kerwin and son of Washington, D. C., visited Mrs. Norris Fussell this week.

Capt. and Mrs. Pryor Johnson and son of Rantoul, Ill., will be in the neighborhood for several weeks.

Miss Sue Thomas spent the week-end on a house party in Frederick, Md.

Mrs. Norris Fussell entertained two tables of bridge Wednesday in honor of Mrs. Kerwin of Washington, D. C. Those present were Mrs. F. D. Luzar and Mrs. R. F. Erb of Rockville; Mrs. Kelly of Washington, Mrs. Francis Miller, Mrs. Hartshorne, Mrs. P. L. Legon, Mrs. Wm. J. Thomas and Mrs. F. P. Robison. Mrs. Robison and Mrs. Kerwin won prizes.

The August meeting of the Neighbors was held with Mr. and Mrs. M. J. Stabler at "Springfield." After a delicious supper Mr. Stabler read from a 1912 World's Work concerning the problems of Mississippi flood control, which seemed to be the same then as now. After this questions were asked followed by adjournment.

Misses Cecilia Thomas, Anna Miller, Edith Hough, Jean Thomas, Katharine Alvord and Virginia Janney were entertained at dinner by Miss Chandler Robison in honor of her twelfth birthday anniversary.

Mrs. F. L. Thomas gave a tea Friday afternoon in honor of Mrs. Gill of Narberth, Pa., who was the house guest of Mrs. S. B. Wetherald for several days.

Mr. and Mrs. Norris Fussell gave a small dance Saturday evening in honor of Capt. and Mrs. Pryor Johnson.

Mrs. Mortimer Stabler gave a luncheon followed by bridge Saturday afternoon at her home "Drayton" to meet Mrs. Norman Davis of Washington, D. C. There were seven tables and prizes were won by Mrs. Wm. J. Thomas, Mrs. P. L. Legon and Mrs. Ernest Kelly.

Mrs. Katharine Alvord gave a party Monday afternoon in honor of her guest, Mrs. Cowman of Washington.

Miss Patty Morris of Bethesda spent several days visiting Miss Jean Thomas. Mrs. Elgar Halliwell and two sons of Chicago are visiting Mrs. J. C. Benney at "Cloverley."

Miss Margaret Parsons, 6930 9th st., leaves tomorrow with a party for a vacation trip, going by boat to Boston, thence through New England, Canada, to the Thousand Islands and Niagara Falls.

Mr. Courtney Suter, son of Mr. and Mrs. J. Suter, 7312 Blair rd., continues seriously ill at his home.

ARMORY-FIREMEN FETE SATURDAY

(Continued from Page 1)

Ceremonies incident to the dedication of the armory will be held from 6 to 7 o'clock and will be broadcast by radio station W.R.C., and associated stations over special wires from the parade ground.

Other features, some of which will be photographed by the leading motion picture companies, will include water battles between teams of women firefighters; special hook-up contest between the lady firemen of Silver Spring and visiting firemen; a sheik contest for men, with lady judges; a ladies' beauty contest, with male judges, and others. "Miss Washington," according to the committee in charge of the program, will appear on the grounds during the afternoon and evening.

A carnival and dancing will entertain the gathering during the evening and visiting firemen will be served with refreshments by the local department.

In addition to the 40 or more visiting fire departments, which will participate in the program, more than 75 commercial, civic and fraternal organizations will participate in the parade. Music will be furnished by the United States Army Band; The Silver Spring Community Band; The Washington Grove (Md.) Band; The Army Music School Band, and the First Infantry Band of Frederick.

The Montgomery County police force will be augmented by a detail of police from the Washington department, and arrangements have been completed to handle one of the largest crowds ever assembled in the county.

PROGRAM AND ORDER OF EVENTS.

2:00 P. M.—Parade: Woodside School to Falkland Drive, east to Sligo ave., west to Georgia ave., north to Montgomery ave., to New Armory.

ORDER OF MARCH.

- 1—Detail of Montgomery County Police.
- 2—Grad Marshall of Parade—C. Wade Shaw.
- 3—The United States Army Band.
- 4—Members of Jubilee Committee.
- 5—Silver Spring Volunteer Fire Department.
- 6—Regimental Band, 1st Maryland Infantry.
- 7—Governor Ritchie and Staff.
- 8—Service Company, 1st Maryland National Guard, Jos. C. Cissel, commanding.
- 9—Other Maryland National Guard Units.
- 10—Distinguished Guests.
- 11—Apparatus and delegations from volunteer fire departments, interspersed with floats entered by Patriotic, Civic, Fraternal and Business organizations, and:
- 12—The Silver Spring Band.
- 13—The Washington Grove Band.
- 14—The Army Music School Band.

PROGRAM:

- 3:30—Firemen's contests and award of prizes.
- 6:00 to 7:00—Dedication of Armory.
- 7:00 to midnight—Carnival, special features and contests, refreshments for visiting firemen.
- A military ball will follow the luncheon.

NEW \$175,000 TAKOMA PARK BANK BUILDING TO BE FORMALLY OPENED TONIGHT

(Continued from Page One)

and efficient. The safe deposit vaults are in this department also. Retiring rooms are provided in the below street level floor of the bank for both men and women employees. The bank is fireproof throughout and thoroughly protected by an electric wiring system. Nothing has been left undone to make the new home of the Takoma Park Bank the most efficient that man's genius can devise.

The Takoma Park Bank, according to its last statement, dated June 30, 1927, had resources amounting to \$2,619,561.15, while deposits as at that time amounted to \$2,406,241.73. The bank was organized in the latter part of 1917 and opened its doors on October 1, 1927, starting in a rear room of the dwelling at 109 Maple st. The deposits for the first day amounted to \$2,570. The financial institution began growing vigorously and in a short time outgrew its quarters and plans were adopted by the directors and officers for the building in Carroll ave. now being

treasurer Columbia Brick & Coal Co.; H. H. Cobban, official, General Conference, Seventh Day Adventist Church; Edgar V. Crittenden, president Northwestern Savings & Loan Asso; William K. Hill, insurance; P. Blair Lee, vice president North Washington Realty Co., and other business interests; F. J. Miller; Doran S. Platt, realtor; Wilmer G. Platt, president Takoma Theatre Corporation; H. Edson Rogers, official, General Conference, Seventh Day Adventist Church; Joseph W. Shadle, and J. L. Shaw, official, General Conference, Seventh Day Adventist Church.

Assistant cashiers are O. E. Dietz, Ben G. Davis, R. Weir Waters and Gordon Arnett. The other members of the bank personnel handling the huge business of the bank are:

Savings teller, Miss Helen Quimby; receiving and paying teller, Mr. Harold F. Gates; general ledger bookkeeper, Mrs. Louise B. Coale; proof desk teller, Miss Alice K. Ayars; bookkeepers, Mr. Louis K. Lynn, Miss

ENTRANCE TO VAULTS AND SAFETY DEPOSIT BOXES.

vacated by the bank for its handsome new home. This was in the following year. Again it was found necessary to provide additional quarters and an addition was added to the second home of the bank three years ago. The continued growth of the bank increased the personnel of the staff and it has been necessary to work in crowded quarters for some time. Relief from this condition will be found in the new home of this, one of the strongest banking institutions to be found in suburban Washington, and the strongest in Montgomery County.

A comparison of the deposits made in the bank during the past 10 years as at August 18 of each year is the best way to show the continued growth of the bank and is given herewith:

August 18, 1918....	\$ 282,121.80
August 18, 1919....	739,880.41
August 18, 1920....	922,501.60
August 18, 1921....	1,217,807.64
August 18, 1922....	1,521,806.48
August 18, 1923....	1,717,931.51
August 18, 1924....	2,026,310.58
August 18, 1925....	2,289,814.56
August 18, 1926....	2,314,896.59

On August 13 of this year the deposits were \$2,470,880.71.

When the bank was being organized W. Preston Gibson, then a resident of Leesburg, Va., and a man of considerable banking experience, was chosen as cashier of the infant financial institution. Mr. Gibson has been cashier of the bank from opening day until the present, and much of the growth of the bank is the result of his wise administration, and his knowledge of banking. During the past year he was elected a vice president of the bank, and carries that title in addition to being cashier.

Former Mayor Henry F. Taff is president of the bank; has long been a resident of Takoma Park and is a man identified with all the best movements for the improvements making for a better Takoma Park. Mr. Taff is general manager of the Western Union Telegraph Co., in Washington.

David Feldman, also a long time resident of the Park, is a vice president, and conducts the largest retail store in the town and has assisted in the development of many of the sections of Takoma through his activities in real estate.

E. Brooke Lee, Speaker of the House of Delegates, is the other vice president of the bank. Maj. Lee has large realty interests in lower Montgomery County, particularly in the vicinity of Silver Spring, and has many other business interests.

The officers, and the following compose the board of directors of the bank: Dr. Louis D. Bliss, president Bliss Electrical School; L. B. Bordett, manager Washington branch Swift & Co., packers; James H. Campbell,

Hazel Baker, Mrs. Edith B. Hayes, Miss Dorothy Eggleston; stenographer, Mrs. Virginia M. Harrison; clearance department clerk, Miss Elizabeth L. Hardesty; statement department clerk, Mrs. Elinor Clark.

That the growth of the bank is an indication of its service to the community is acknowledged and its strength is a matter of congratulation to both the community and to the officials.

Fox hunters in Rhode Island must now bring in the tongue of each fox killed to claim the five dollar bounty. In the past an ear was sufficient, but as foxes have two ears double bounty was often paid foxy hunters.

LOBBY OF THE NEW \$175,000 TAKOMA PARK BANK

Congratulations

The business firms, individuals and corporations of Takoma Park, subscribed herein, wish to extend congratulations to the

Officers and Directors

OF THE

TAKOMA PARK BANK

At this time when completion of their new banking house is being marked by the formal opening and inspection by the public.

THE BUILDING IS A CREDIT TO OUR COMMUNITY

and one of which all the commercial interest and citizens may well feel proud. Such a magnificent structure, modern in every detail, beautiful in design, stands as a monument to the integrity and efficiency of the officers and directors of the Takoma Park Bank, and the faith withal that the community rests in those officers and directors of the financial institution.

Recognizing that a strong bond of community interests must obtain between the business interests, the community and the banks that serve them, and realizing that the condition of such banks reflect the economic status of a community, we feel doubly happy to extend our warmest congratulations to the men of the Takoma Park Bank who have brought the institution to such a high state of efficiency.

The new banking house is one in which we all feel pride and we commend the enterprise of those responsible for the undertaking that brought to Takoma Park the building now to be occupied by the bank as its future home.

 Rev. C. E. Fowler, Also Teacher
BOX BIBLE CLASS
 A CLASS FOR MEN WHERE MEN ARE WELCOME
 Emory M. E. Church—St. Stevens, Brightwood

Subject for next Sunday:—

"God's Promise to David."

Golden Text:—"Thy throne, O God, is
 forever and ever: A scepter of
 righteousness is the scepter of thy
 kingdom."

It looked mighty good to see our
 regular teacher, Brother C. E. Fowler,
 back last Sunday, and those who were
 absent missed a lesson that never was
 taught any better.

Don't forget our next executive meet-
 ing, Wednesday evening, August 24, at
 8 p.m., at the church. Officers and
 teachers are expected to be present—
 members and friends are cordially
 invited.

Brother Cronan, our recording secre-

tary, is chairman of the annual outing,
 scheduled for Saturday, August 27.
 This outing takes place at the home
 of Judge Hayes, located at Shadyside,
 Md. Any one that can spare the time
 is sure to enjoy the occasion. Please
 advise whether or not you are going.

Rev. D. L. Snyder has returned from
 his vacation and is anxious to greet
 us all next Sunday. Brother Hamra
 is headed this way though it is un-
 certain to predict his arrival at this
 time.

C. F. Kleinknecht is en route for
 Evansville, Ind., where he will visit his
 parents, expecting to return on Labor
 Day.

GLENMONT.

The Free Methodist Camp Meeting
 came to a close on Sunday night after
 having a very successful meeting. Be-
 tween 45 and 50 folks were converted.
 It was said that this meeting was the
 most successful that has ever been held
 in this part of the country.

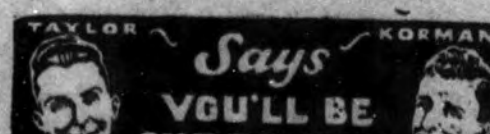

While on their way to attend the
 camp services one morning last week
 Rev. Miller and family from Alexandria
 were struck by a large truck on Georgia
 ave. Their auto was overturned and
 Mrs. Miller's mother suffered a broken
 collar bone. The other occupants of
 the machine escaped injury. The mother
 was rushed to Walter Reed Hospital
 where she received aid. The rest of the
 party motored on to camp.

Mrs. John T. Atwood was given a
 birthday surprise party at her home on
 Saturday of last week.

Mrs. William Xander is getting along
 nicely after undergoing an operation
 in a Washington hospital on Wednes-
 day.

Capt. and Mrs. Don E. Clarke and
 friends are spending a week at North
 Beach.

Mr. and Mrs. Lewis Potter and son
 Royston are attending the Baptist con-
 vention at Independent Hill, Va.

Rockville Fair Diamond Jubilee, August 23 to 26

(Continued from Page One)

Another feature of the fair will be
 the Rockville fair dance, of which
 Otho C. Trundle is chairman. This is
 the first time the society has given
 its own dance and the committee in
 charge has secured a well-known Vir-
 ginia dance orchestra for the occasion.

J. P. Fitzgerald and William A.
 Waters, member of the racing commit-
 tee, have arranged a program of har-
 ness and running races for the last
 three days of the fair. To date there
 are more than 100 entries. The har-
 ness races will be run under the rules
 of the National Trotting Association,
 of which the society is a member. The
 purses are attractive and the best
 horses from this part of the country,
 Virginia and Maryland are entered.
 Frank Thomas of Washington, is run-
 ning his famous string of thorough-
 bred, an attraction in itself.

The children's pony show and pony
 races will be a feature of the opening
 day, with six classes of entries. The
 races will be a fourth-mile and half-
 mile. Cash prizes and ribbons will be
 awarded in all events. A dog show will
 be given Friday, the final day of the
 fair, open to all recognized breeds as
 listed by the American Kennel Club.
 There will also be special prizes award-
 ed for beagles and foxhounds. Inter-
 est in these breeds has grown rapidly
 throughout the county and competi-
 tion among the local breeders promises
 to be keen.

The 4-H Club will stage a big ex-
 hibit under the supervision of O. W.
 Anderson, county agent for the United
 States Department of Agriculture in
 the 4-H club work. Seventy-five boys
 and girls from every section of the
 county will exhibit their pure bred
 cows and heifers.

The women's section, under the
 Montgomery County Federation of
 Women's Clubs, is in charge of Mrs.
 G. M. Hunter of Rockville. Growing
 plants, cut flowers, fancy work, hand-
 made rugs, antiques, culinary work of
 all kinds, works of art, preserves and
 canned goods are among the exhibits
 in this department. There will also be
 a children's domestic exhibit. Mrs. T.
 T. Bamsley, superintendent.
 The home demonstration depart-
 ment will be in charge of County
 Home Demonstration Agent Miss
 Blanche A. Gorwin, competition open
 to all members of the girls' 4-H clubs
 in the county.

Peruvians carry soil for hundreds
 of miles in baskets and on pack horses
 to make productive the terraces they
 build along the mountain sides. These
 farms, many of them hundreds of
 years old, show no signs of soil de-
 pletion.

HABITS

Life, so 'tis said, is mere-
 ly a bundle of habits, more
 or less loosely tied. Habits
 make or break us. Success
 or failure is pretty much
 a matter of habits.

The one big, fine habit
 is the habit of cleanliness
 —clean teeth, clean face,
 clean hands, clean body.

Soon as a child is old
 enough to toddle begin to
 teach it the habit of clean-
 liness. Let it know the feel
 of running water. This
 habit will make the child
 healthier, stronger,
 brighter—better able to
 wring success from life's
 happy-scrappy struggle.

It takes a beautiful, up-to-date bathroom to grow
 the big, fine habit. It's money well invested.

PETITIONS FOR GAS STATIONS

(Continued from Page 1)

assessing \$4 per front foot as the cost of the new street paving. This rate is the same levied against other abutting property owners for pavements laid in the 1927 street improvement program. The property levied against at Monday night's meeting include those abutting new laid paving in Albany, Carroll, Erie, Holt and Crescent places, New York, Takoma and Tulip avenues.

The Washington Suburban Sanitary Commission advised council that sewer main would be laid in Poplar ave. from present end to Washington street, and that water mains would be laid in Poplar to Cockerille ave. and in Spring street to Orchard street, when approval of grades had been had from the Maryland National Capital Park and Planning Commission.

Mrs. M. W. Taylor and Mr. and Mrs. N. D. Gurrier requested that steps be taken to purchase a triangle lot in Allegheny ave. in order that autos may park at night and children be afforded a playground during the daytime.

Residents of Carroll Manor circle requested that the street be improved, sidewalks laid and better lighting be afforded this section.

Lee Angerman, 204 Carroll ave., resigned as deputy bailiff, and his resignation was accepted by Mayor Davis and Council.

Mr. L. A. Williams protested the delay in affording him relief from the flowing of sewage over his property, the overflow, he claimed, coming from cess pools on nearby properties. He was advised by the Mayor that representations had been made repeatedly to the Sanitary Commission but that because of the absence of a sewer main nearby relief could not be afforded at this time. Mr. Williams claimed that the condition be complained of had been present for more than three years, and he thought this was ample time in which to make installations needed to correct the insanitary conditions.

The discussions on the filling stations petitions were quite heated at times and protestants waxed vigorously in the defense of their position. Because of the absence of the members of council most of the matters brought to council's attention Monday night were laid over. Councilmen Adams, Johnson and Salisbury being absent from the town.

Bills in the amount of \$418.21 were passed and ordered paid.

Treasurer Bryan Davis submitted his report for July showing a new balance in the general fund of \$29,702.25, with July receipts of \$22,752.20 and disbursements for the same period of \$2,431.90.

In the Special Improvement Fund the new balance totals \$159,370.57, with July receipts of \$181,087.46 (principally from the sale of \$180,000 certificates of indebtedness), and disbursements for July of \$21,718.81. All of the disbursements in this account were for street work.

A balance of \$11,751.79 was reported in the sinking fund.

Councilmen Crittenden, Finch and Rogers helped Mayor Davis dispose of the evening's business.

Mr. and Mrs. Thomas Holmes, 6630 1st st., have had as recent guests in their home, Mr. and Mrs. Robert Blakeslee of DuBois, Pa., and Mr. and Mrs. W. M. White of Manila, Iowa.

Mr. and Mrs. Philip Briscoe, 35 Maple st., have sold their house to Mr. and Mrs. Dewey Smith. Mrs. Briscoe and the children, Jacqueline and Philip, Jr., will leave the Park September 2, and sail from New York September 7 to join Mr. Briscoe at Panama, where they will make their future home. Mr. Briscoe sailed in the early summer.

Mrs. W. W. Stockberger and daughter, Miss Lucille Stockberger, 529 Cedar st., have returned from a summer spent in Frostberg, Md., where Miss Stockberger has been teaching in summer school.

Miss Frances Smith, 300 Takoma ave., and Helen Haas 120 New York ave. who have been attending summer school at Cornell University returned home on Saturday of last week.

Miss Caroline Longfellow, formerly a resident of Takoma, and her cousin, Mrs. Eben Longfellow of East Hollywood, Calif., were week end guests of Mr. and Mrs. Homer Guerry, 216 Holly ave.

Dr. and Mrs. Horace W. Whitaker, 6601 1st st., entertained with a tea on Sunday afternoon, August 14, in honor of Capt. and Mrs. Bowen of Fort Meyers.

Mrs. Roy Ellis and little daughter Marie, of Williamson, W. Va., are guests of Mrs. Ellis' parents, Mr. and Mrs. Dorsey Elin, of Cass, W. Va., will drive up for the week end with her parents and take her sister home.

From Across the Sligo.

Eld. F. M. Wilcox is making a trip west and will stop at Hinsdale, Ill., and Nevada, Iowa.

Mrs. Mary Hall was the guest of Mrs. A. E. Kellogg of 200 Flower ave. last Sunday.

Mr. and Mrs. A. W. Spaulding of Laurelyn Gardens entertained a few former Nashville, Tenn., people in honor of Mr. and Mrs. Philip Dalton of Dayton, Ohio, who were formerly of that city. Mrs. Dalton, who before her marriage was Miss Alice Pierce, is a graduate of the Washington Sanitarium. Mr. and Mrs. Dalton are touring in the east and plan to visit Niagara Falls and other points of interest.

Mrs. Mary Day Patterson is entertaining her mother, Mrs. D. H. Day and her niece, Miss Inez Day of Phoenix, Ariz. Miss Day will remain and enter the college in September.

Word has been received of the marriage of Miss Jessie Evans who was English teacher at Washington Missionary College for a number of years, and Mr. Londona P. Corbett of Los Angeles, Calif. Mr. Corbett was at one time a student at the college here, but finished his studies at College Place, Washington.

Mr. S. A. James of the x-ray department of the Washington Sanitarium has gone with his family to Niagara Falls this week and will spend next week at North Beach.

Mr. A. W. Spaulding is assisting at the Junior Boys' Camp, which is located at Lakeview, Mich.

Mr. E. R. Nutter and daughter Edith are taking a motor trip to Boston.

Mr. and Mrs. Clarke Wood who are away in their wedding trip have sent word of their arrival at the Yellowstone National Park.

Mrs. Ella Garney, Mrs. Hattie Boom and Miss Louise Campbell, all of the Sanitarium, are spending a few days at North Beach.

At a picnic given in their honor at the Miller Cabin, Rock Creek Park, Prof. and Mrs. C. E. Weniger were given a welcome to Takoma Park by a number of old friends, former teachers and students of Pacific Union College, St. Helena, Calif.

Mr. Raymond Finch and Miss Jane Lakey were married August 10, at the home of Prof. J. W. Osborne by Eld. F. M. Wilcox.

Mrs. A. W. Spaulding of Laurelyn, Blair rd., spent a few days in Richmond, Va., last week.

Mr. D. J. Manton of Lime Rock, R. I., visited his son, Mr. D. J. Manton of 123 Flower ave., for a few days last week.

Mr. Robert H. Price and Miss Esther Ruth Hicks were married in Greenboro, N. C., August 4, the ceremony being performed in the West Market Street M. E. Church. They are spending their honeymoon in Orkney Springs, Va.

Miss Minnie Abrey, preceptress at Washington Missionary College is spending her vacation at her home in Highgate, Canada.

Miss Virginia Hoelzel is spending her vacation in Georgia.

Prof. E. R. Salisbury is making a trip through Pennsylvania in the interests of the college.

Dr. B. G. Wilkinson of the Bible department of Washington Missionary College is attending camp meetings in several of the southern states.

Mrs. Mary Montgomery, matron of the Washington Missionary College dormitory, has returned from the Sanitarium where she underwent an operation. She is making a good recovery.

Miss Elizabeth McQueen has returned to her home in Forest Glen after spending several years in California.

Miss Ethel Barber, who has been working in Honolulu for several years, has returned to her home in Linden.

Mrs. J. B. McQueen, Forest Glen, who was operated on Tuesday, August 9, at Emergency Hospital, is improving.

Mr. Frank Cook, Linden, who has been working for a Baltimore firm, has been transferred to New York.

Miss Rose Stubbs, Forest Glen, entertained Miss Knode and Mr. Roy Culver of New Castle, Pa., over the week end.

Mrs. De Witt and two children of Fredericksburg, Va., are visiting Mr. and Mrs. O. Culver, Forest Glen.

Mrs. Coan and Mrs. Kessler from Florida, and Miss Rose Stubbs of Forest Glen, motored to Braddock Heights last Friday.

Mrs. E. V. Crittenden, 308 Takoma ave., left Tuesday by way of the M. & T. Co. steamer from Baltimore for Boston from whence they will go to Nantucket, Mass., for a stay of several weeks.

The American Legion convention in Paris this year, it is estimated, will cost \$15,000.00.

Department of Public Works State of Maryland STATE ROADS COMMISSION

Notice to Contractors
SEALED PROPOSALS for building four sections of State highway, as follows:

Montgomery County, Cont. M-83. One section of State highway along the old Georgetown Road north of Bethesda from the end of the present concrete shoulder for a distance of 1.5 miles. (Concrete shoulders.)

Montgomery County, Cont. M-84. One section of State highway between Wheaton and Four Corners, a distance of 2.6 miles. (Concrete shoulders.)

Montgomery County, Cont. M-79. One section of State highway from Plummer's Corner to Redland, for a distance of 1.0 mile. (Concrete shoulders.)

Montgomery County, Cont. M-58. One section of State highway along the River Road from Leland's Corner toward Wilson Lane, for a distance of 1.0 mile. (Concrete shoulders.)

will be received by the State Roads Commission at its offices, 601 Garrett Building, Baltimore, Md., until 12M on the 23rd day of August, 1927, at which time and place they will be publicly opened and read.

Bids must be made upon the blank proposal form which, with specifications and plans, will be furnished by the Commission upon application and payment of \$1.00, and hereafter no charges will be permitted.

No bids will be received unless accompanied by a certified check for the sum of Five Hundred (\$500) Dollars, payable to the State Roads Commission.

The successful bidder will be required to give bond and comply with the Acts of the General Assembly of Maryland, respecting contracts.

The Commission reserves the right to reject any and all bids.

BY ORDER of the State Roads Commission this 2nd day of August, 1927.

JOHN N. MACKALL, Chairman, L. H. Stewart, Secretary.

\$30,000 Bond Sale.

The County Commissioners of Montgomery County at Rockville, Maryland, will receive sealed bids for the purchase of sixty (60) Five Hundred Dollars (\$500) serial coupon bonds at their office in the courthouse in Rockville, Maryland, up to the hour of 12 o'clock noon on Tuesday, August 23, 1927, at which time and place the bids will be opened by the said County Commissioners and the sale consummated to the highest bidder for cash, if in the opinion of said Commissioners such highest bid be an adequate price for said bonds. These bonds are of the denomination of Five Hundred Dollars (\$500), dated with interest at the rate of four and one-half (4½%) per cent annually on March 1 and September 1 in each year until the payment of the principal sum; three (3) of said bonds maturing on September 1 of each year, beginning September 1, 1928, and including September 1, 1947. These bonds are issued by authority of chapter 504 of the acts of the General Assembly of Maryland, regular session of 1927, and designated Brookville Pike Grade Crossing Elimination Bonds of 1927.

Each bid must be accompanied by a certified check made payable to the County Commissioners of Montgomery County or by cash in the sum of \$500. The County Commissioners reserve the right to reject any or all bids.

BENJAMIN C. PERRY, President of the Board of County Commissioners of Montgomery County, Maryland.

BERRY E. CLARK, Clerk.

For further particulars address Berry E. Clark, clerk of the County Commissioners of Montgomery County, Maryland.

Bonds For Sale.

The County Commissioners of Montgomery County, at Rockville, Maryland, will receive sealed bids for the purchase of sixty (60) Montgomery County Police Station Bonds of 1927 in denominations of \$1,000 each, up to 12 o'clock Noon on Tuesday, the 13th day of September, 1927, at their office in the Court House, Rockville, Maryland, at which time the bids will be opened by the said Commissioners and the sale consummated to the highest bidder for cash, if in the opinion of said Commissioners such highest bid be an adequate price for said bonds. These bonds bear interest at the rate of 4½ per cent per annum, said interest being payable semi-annually on the first days of February and August in each year until the payment of the principal sum, said principal and interest being payable at the Montgomery County National Bank, of Rockville, at Rockville, Maryland.

These bonds are issued by the authority of Chapter 405, Acts of the General Assembly of Maryland of 1927, two of said bonds of \$1,000 each payable August 1, 1929, and two bonds payable each year thereafter in numerical order on August 1st up to and including the year 1938.

Each bid must be accompanied with a certified check in the sum of \$500, made payable to the County Commissioners of Montgomery County, Maryland, or by cash in the sum of \$500.

The County Commissioners reserve the right to reject any or all bids.

BENJAMIN C. PERRY, President, Board of County Commissioners of Montgomery County, Maryland.

BERRY E. CLARK, Clerk.

The American Legion convention in Paris this year, it is estimated, will cost \$15,000.00.

Invitations have been issued for the marriage of Miss Carla Minnie Smith to Mr. Donald LeRoy Turner on Thursday, September 1, 1927, at eight o'clock at the Takoma Park Presbyterian Church. Miss Smith is the oldest daughter of Mr. and Mrs. Homer A. A. Smith, 300 Takoma ave., and Mr. Turner is one of the faculty of Bliss Electrical School.

Bonds For Sale.

\$400,000

The County Commissioners of Montgomery County, at Rockville, Maryland, will receive sealed bids for the purchase of 400 Montgomery County Road Bonds of 1927 in denominations of \$1,000 each, up to 12 o'clock noon on Tuesday the 13th day of September, 1927, at their office in the Court House, Rockville, Maryland, at which time the bids will be opened by the said Commissioners and the sale consummated to the highest bidder for cash, if in the opinion of said Commissioners such highest bid be an adequate price for said bonds.

These bonds bear interest at the rate of 4½ per cent per annum, said interest being payable semi-annually on the first days of September and August in each year until the payment of the principal sum, said principal and interest being payable at the Montgomery County National Bank, of Rockville, at Rockville, Maryland. These bonds are issued by virtue of authority and act of the General Assembly of Maryland passed at its General Session A. D. 1927, being Chapter 704, and are due and payable as follows:

\$40,000 in 1929 and 1930,
\$40,000 in 1931 and 1932,
10,000 in 1933 to 1935,
15,000 in 1936 and 1937,
25,000 in 1938 to 1940,
30,000 in 1941 and 1942,
35,000 in 1943 to 1945,
and \$40,000 in 1946 and 1947.

Each bid must be accompanied with a certified check in the sum of \$500, made payable to the County Commissioners of Montgomery County, Maryland, or by cash in the sum of \$500.

The County Commissioners reserve the right to reject any or all bids.

BENJAMIN C. PERRY, President, Board of County Commissioners of Montgomery County, Maryland.

BERRY E. CLARK, Clerk.

Trustee's Sale.

OF VALUABLE IMPROVED PROPERTY IN SILVER SPRING, MARYLAND

Under and by virtue of the power of sale contained in a certain Deed of Trust from J. LINWOOD JOHNSON and MARRIOTT H. JOHNSON, his wife, to HENRY W. OFFUTT and MARTIN R. WEST, dated August 11, 1926, and recorded August 20, 1926, in Liber No. 41 at folio 342 of the Land Records of Montgomery County, Maryland, default having occurred in the covenants of said trust, the undersigned trustees will offer for sale at public auction on the premises on

Wednesday, Sept. 7, 1927, at 4 O'clock P.M.

All the land and premises known as Lot numbered 14, in Block lettered "T" in a subdivision known as "Blair" as the same is laid down and described on a Plat of said subdivision which is duly recorded among the Land Records of Montgomery County, Maryland, in Plat Book No. 3, Plat 229.

This property is improved by a modern brick dwelling, practically complete and is sold "as is," but free and clear of all liens or encumbrances.

Terms of Sale: All cash upon the ratification of the sale by the court. A deposit of \$300 will be required at the time of the sale. Conveyancing, taxes and all special assessments adjusted to day of sale.

HENRY W. OFFUTT, MARTIN R. WEST, Trustees.

T. Howard Duckett, Attorney for trustees, 1420 New York ave., Washington, D. C.

Legal Notice.

All persons are hereby warned that the provisions of Chapter 672 of the Acts of the General Assembly of Maryland of 1927, prohibiting the throwing or dumping of trash, junk or other refuse on the lands or property of another without his consent, and prohibiting the throwing or dumping of trash or junk upon any of the highways of Montgomery County, will be strictly enforced. The provisions of section 1 of the above act are as follows:

"SECTION 1. Be it enacted by the General Assembly of Maryland, That it shall be unlawful for any person to throw, dump, or deposit any trash, junk or other refuse upon the land or property of another without the written consent first had and obtained of the owner thereof, or under the personal direction of such owner; or to throw, dump or deposit any trash, junk or other refuse upon any public highway of Prince Georges County or Montgomery County, and any violation of this act shall constitute a misdemeanor, and any person convicted thereof, before a justice of the peace or court of proper jurisdiction shall be punishable by a fine of not less than \$5.00 or more than \$50.00, or by imprisonment of not less than thirty (30) or more than ninety (90) days, or both."

By order of the Board of County Commissioners,

BENJAMIN C. PERRY, BERRY E. CLARK, Clerk.

WOODSIDE.

Mrs. J. N. Shauk and Miss Anna Shauk of Forest Glen departed Wednesday for Chicago, Ill., where they will visit relatives. Before their return, in three weeks, they plan also to visit in La Grange, Mo.

Mrs. Alena Lamond, 6524 1st st., has returned from a two weeks' outing at Berkeley Springs.

Georgia Ave. Subway Plans Adopted By Commerce Chamber

(Continued from Page One)

The Silver Spring Chamber of Commerce at a meeting held Tuesday night passed two resolutions bearing on improvement and beautification of Georgia ave. and the rearrangement of the subway. The resolutions were presented by the Committee on the Beautification and Improvement of Georgia ave. and the Rearrangement and Improvement of the North Entrance to the Subway, on motion by Chairman James H. Cisel, second by Capt. Frank L. Hewitt, are as follows:

"Georgia Avenue—North of Subways: 1. Abandon the three driveway plan due to high cost, the necessity of scrapping some of the existing roadbed, and narrow width of the proposed east and west local roadways. 2. Substitute

therefore a two roadway system, providing for one-way traffic on each roadway, divided by an eight-foot parking place, as per plan submitted, this plan to extend from Sligo ave. in Silver Spring to the north side of the Colesville-Baltimore road."

"Georgia Avenue—South of the Subway: 1. To acquire a fifteen-foot addition to the existing seventy-five-foot right of way on the west side of the existing right of way by dedication, purchase or condemnation, which fifteen feet will balance the dedication of the easterly fifteen feet made by the Blair Development Corporation. These dimensions will extend from Georgia ave. into Maryland at its District of Columbia without taking into consideration the Maryland building lines.

2. To widen the existing pavement fourteen feet on each side, allowing only one-way traffic on each half of the widened roadway."

TAKOMA LOCALS

Dr. and Mrs. Horace W. Whittaker, 6601 1st st., had as their guests last week their nephew and niece, Dr. and Mrs. Alfred H. Whittaker of Detroit, Mich., whose marriage occurred in Paris, France, July 23, where Dr. Whittaker had gone for three months' research work in Europe. At the close of his work he was married to Miss Margaret Evans of Coalton, Ohio, who had been in Paris for the past year and a half studying music. Dr. Whittaker's father, Mr. A. W. Whittaker, and his sister from Huntington, W. Va., drove up to meet Dr. Whittaker and his bride and were also guests in the H. W. Whittaker home.

Mr. M. G. Ellis, 217 Willow ave., is expected back from Florida, where he was called recently by the death of his father.

The recently completed improvements to the front of the Glickman and Steiner stores, 267-269 Carroll st., add much to the appearance of these properties, and is the work of George O. Tibbets, general jobbing contractor.

The Takoma Park Printing Shop, 32 Carroll ave., is expected to be ready for business before the end of the current week.

Lieut. Walter K. Jones, 138 Carroll ave., left Sunday for Camp Hoyle Md., for a two weeks' stay at the R.O.T. Camp.

first and second prizes. Chicken dinners were served until a late hour.

Mrs. J. Keiler Brian is doing splendidly after having undergone an operation for the removal of tonsils in a Washington hospital.

On Wednesday evening a birthday party was given at the home of Mrs. Harriett Roby, in honor of her granddaughter, Miss Letitia Wilson. The affair was largely attended by relatives and friends. Among those present were the Misses Carrie and Mary Ella Roby, Eleanor and Catherine Gibson, Emma Snyder, Annie Veichmeyer, Catherine and Marion Harding, Irma, Ethel and Florence Wright, Hilda Muir, Virginia Carroll and Maude W. Johnson. The Messrs Francis Richardson, Warren Adams, Willard Krumm, Clarence Wright, Harold Harding, Melville Milstead, Stanley and Russell Wheeler, Graeff Briggs, Edward and Ernest Miles and Bill Wooten. Miss Wilson was the recipient of many beautiful and useful gifts. Games were enjoyed and delightful refreshments served.

Mr. W. G. Johnson and daughters had as dinner guests on Sunday Mrs. Edward Keiler, Mrs. Isabelle A. Lacy and the Misses Florence Beall and Evelyn Lacy, all of Washington.

Miss Catherine Keiler of Washington is visiting Mr. and Mrs. J. Keiler Brian here.

Mr. Raymond Link is recovering after having submitted to an operation for appendicitis at the Montgomery County Hospital.

NASH

Leads the World in Motor Car Value

3 New Series—New Lower Prices

The Finest, Fastest cars in all Nash history

Greater **SPEED** than ever before is a keynote characteristic of the new Nash models.

They are finer, **FASTER** cars than any Nash has ever developed.

Nash has worked wonders in turning the phenomenal possibilities of the 7-bearing motor into realities.

Just drive one of these new Nash models. Their lightning-like pick-up, their amazing speed and their unequalled smoothness will give you a distinct new motoring thrill.

And they're the **EASIEST** riding cars you ever traveled in.

Each model is equipped with the new Nash secret process alloy steel springs.

These new springs are individually engineered to each model—tailored scientifically to the weight and size of the car.

Even the Standard Six Series—priced down to the 4-cylinder field—have these remarkable springs.

There are 21 new Nash models for you to inspect. They offer new beauties in body design and rich new color harmonies in finish.

Come in and see them at once. At the new lower prices Nash has established they offer motor car quality and value without a parallel.

Before you buy any car—**DRIVE** one of the new Nash models.

- 1) **UNLESS OTHERWISE SPECIFIED:** All layouts are for a single face sign or a single set of letters and the depth of the application considered for the layout is 5 inches.
2) LED module placement is approximate. AgiLight® recommends the sign manufacturer verify the LED placement and quantity to ensure even illumination and brightness expectations are achieved.
3) Estimations are based off the quality of art work and information provided by the customer, this includes: font style, letter height, depth, face material, and any special instructions. Missing information may cause delays in the delivery of estimates, as well as effect product selection, accurate quantities, and brightness.
4) For installation instructions of AgiLight® LED systems please refer to www.AgiLight.com under the TOOLS & DOWNLOADS section or contact an AgiLight® Inside Sales Representative at: +1.866.482.0203

RE: 6950 Carroll Avenue, Takoma Park, Maryland – parking attendant booth

Dear Ms. Heiler,

The Takoma Park Façade Advisory Board met on December 10, 2019 to review the design proposal for 6950 Carroll Avenue, Takoma Park, Maryland. The proposal is to be considered by the Historic Preservation Commission.

Monica Young, of Kerley Signs, presented the proposal for a replacement signage for Bank of America.

The Takoma Park Façade Advisory Board passed the following resolution:

The Board voted to disapprove the application as submitted with the following comments:

- 1. The sign should be made of historically appropriate materials.**
- 2. The sign should be monochromatic.**
- 3. Any lighting for the signage should be a warm lighting temperature.**
- 4. Installation needs to reuse existing alterations to the stone.**
- 5. The Board would like to see examples of Bank of America signs in other historic districts to see how the signage can be modified.**

Thank you for the efforts of the Commission to preserve the unique architectural character of our historic business district. If you have questions regarding the Board's action, please call me at 301-891-7205.

Sincerely,

Community Development Manager
