

A GENERAL PLAN TO KEEP MONTGOMERY COUNTY THRIVING FOR THE NEXT 30 YEARS

THE PLAN VISION: Thrive Montgomery 2050 envisions a county that is more urban, more diverse, and more connected, providing a high quality of life for existing residents while also welcoming new residents and new ideas. Specifically, Montgomery County in 2050 consists of a web of Complete Communities connected by vibrant corridors. Individual and unique centers of neighborhood activity and urban nodes optimize land use with a variety of housing types and price points. Housing is located close to transit, workplaces, needed goods and services, public amenities and active park spaces. Two types of corridors connect these Complete Communities to the rest of the county: 1. multimodal transportation and services; and 2. green parks, stream valleys, and trails.
