The meeting was called to order at 12:00 p.m.

J&M Andrews Farm – Westerly Road (Rustic)

Committee members were unable to vote on approval of this driveway application due to the lack of a quorum at the May meeting. The Committee unanimously approved the driveway request and agreed to write a letter to that effect.

Committee Membership

At an earlier meeting members discussed the possibility of removing members who no longer attend, making it easier to achieve a quorum for voting purposes. The Chair proposed that due to the recent occurrence of the Committee's failure to have a voting quorum caused by members who no longer attend, that a vote should be held to remove those members for lack of attendance pursuant to the rules regarding County Boards and Commissions. The Committee voted unanimously to remove Lonnie Luther and Bob Tworkowski for lack of attendance in order to make a quorum easier to achieve.
