The meeting was called to order at 12:00 p.m.

Action Item:

Roadway designations for Rustic Roads Functional Master Plan

Committee members discussed in turn roads not qualified for rustic designation, roads nominated for rustic and exceptional rustic designation, and roads currently rustic and considered for exceptional rustic designation. The Committee voted on roads en bloc and individually. Four road decisions were set aside for lack of complete information or lack of agreement among Committee members. A list was compiled of the decisions and the Committee voted to send the list to the Planning Department with a formal letter.
