. Kids are not safe because areas to play . People and trails. More police prescence. . Do we even around here ? The shopping center because the kids do not could be better. We need down the road and hiking etc . important for the next for children . Do not feel here which means there are to bring a lot more were cleaned of the cobwebs

What have we heard?

parks

I need more parks to bring a lot more fix it . The management does not respond . Need more parks . respond . Need more parks . Kids are not safe because other Abel has 2 old . All the green space around this area . . . management says But we also need basketball and something for the older More playgrounds . More accessibility with internet especially for my are no parks here which means there are lots of know we have a rec center right here . It helps More play area for nice neighborhood. I wish there was library to bring the for children . Especially with how many children there are . Boulevard . Of course , I would like more parks because speeding and racing . If we can make something safer More stuff for kids and recreational activities. There aren't enough places places for kids to hang out . No summer camps for Likes global grocery can get African food . More playgrounds A better grocery store too . Better playgrounds and areas the kids to . I wish there was a park

going to make it . A community garden and activities

out . And a lot of what I hear is people like more parks and areas to play. People speed down caused trouble. or structured activities. There's no rec center. I lived in because building playground is for a specific school. go to Galway elementary . She would also like more security . playing in the parking lot . The security is fine - no be active and be in community . The question is . . . it do not have a place to play . I would also safe because other kids caused trouble. are not allowed to do cartwheels and hang around there hang out . No summer camps for kids or structured to ≺ . I wish there was a park for kids . Existing recreational activities. There aren't enough places for kids to wants more playgrounds in the area and activities where people can gather. I know this might We need a playground . The one by the community center More bike trails would be nice . The bus system is Existing parks could be better. We need more hang out When we complain they say you have to take them I would like to see a new closer library as

kids
