

GET INVOLVED

TAKOMA PARK

MINOR MASTER PLAN AMENDMENT

Montgomery Planning (M-NCPPC) is partnering with the City of Takoma Park to re-envision the Washington Adventist Hospital and University campuses, the Erie Center, as well as the area along Maple Avenue with the Takoma Park Minor Master Plan Amendment.

Plan focus areas:

Studying new housing options

Improving access to parks and open space

Achieving Vision Zero goals

Focusing on climate resilience

Supporting local businesses

Tell us what you think!

What do you want the future of the area to look like? The planning team will hold a variety of virtual and in-person feedback opportunities in multiple languages for community members to provide their comments. Sign up for our eLetter to find out about upcoming events and take our short questionnaire by going to:

Engage with us!

We want to hear from you throughout each of the four phases of the two-year planning process. By getting and staying involved, you will be providing feedback to the team as they craft preliminary recommendations and plan drafts, ultimately leading to the adoption of the Minor Master Plan Amendment.
