- How will the City of Takoma Park participate?
- What questions will be answered?
- What area will be impacted?
- What exists today?
- What did we hear from the community?
- Next Steps

Master Plans (including plan amendments)

Provides detailed land use recommendations

Conveys land use policy for a defined geographic area

Sets a vision for the future with specific recommendations

Includes recommendations related to:

- Land Use and Zoning
- Historic Resources
- Environment
- Transportation
- Parks
- Community and Public Facilities

Partnerships

MOU with City of Takoma Park provides for:

- Partnership support for stakeholder engagement
- Data collection for existing conditions
- Environmental planning related to the City's Tree Ordinance and stormwater management authorities
- Development of recommendations particularly economic development, housing, and potential school sites

Other plan partners include:

- Multifamily property owners
- Affordable housing providers
- Major employers and institutions
- County government agencies including Montgomery County Public Schools

This plan will seek to answer the following questions:

What is the future of Washington Adventist Campus and surrounding area?

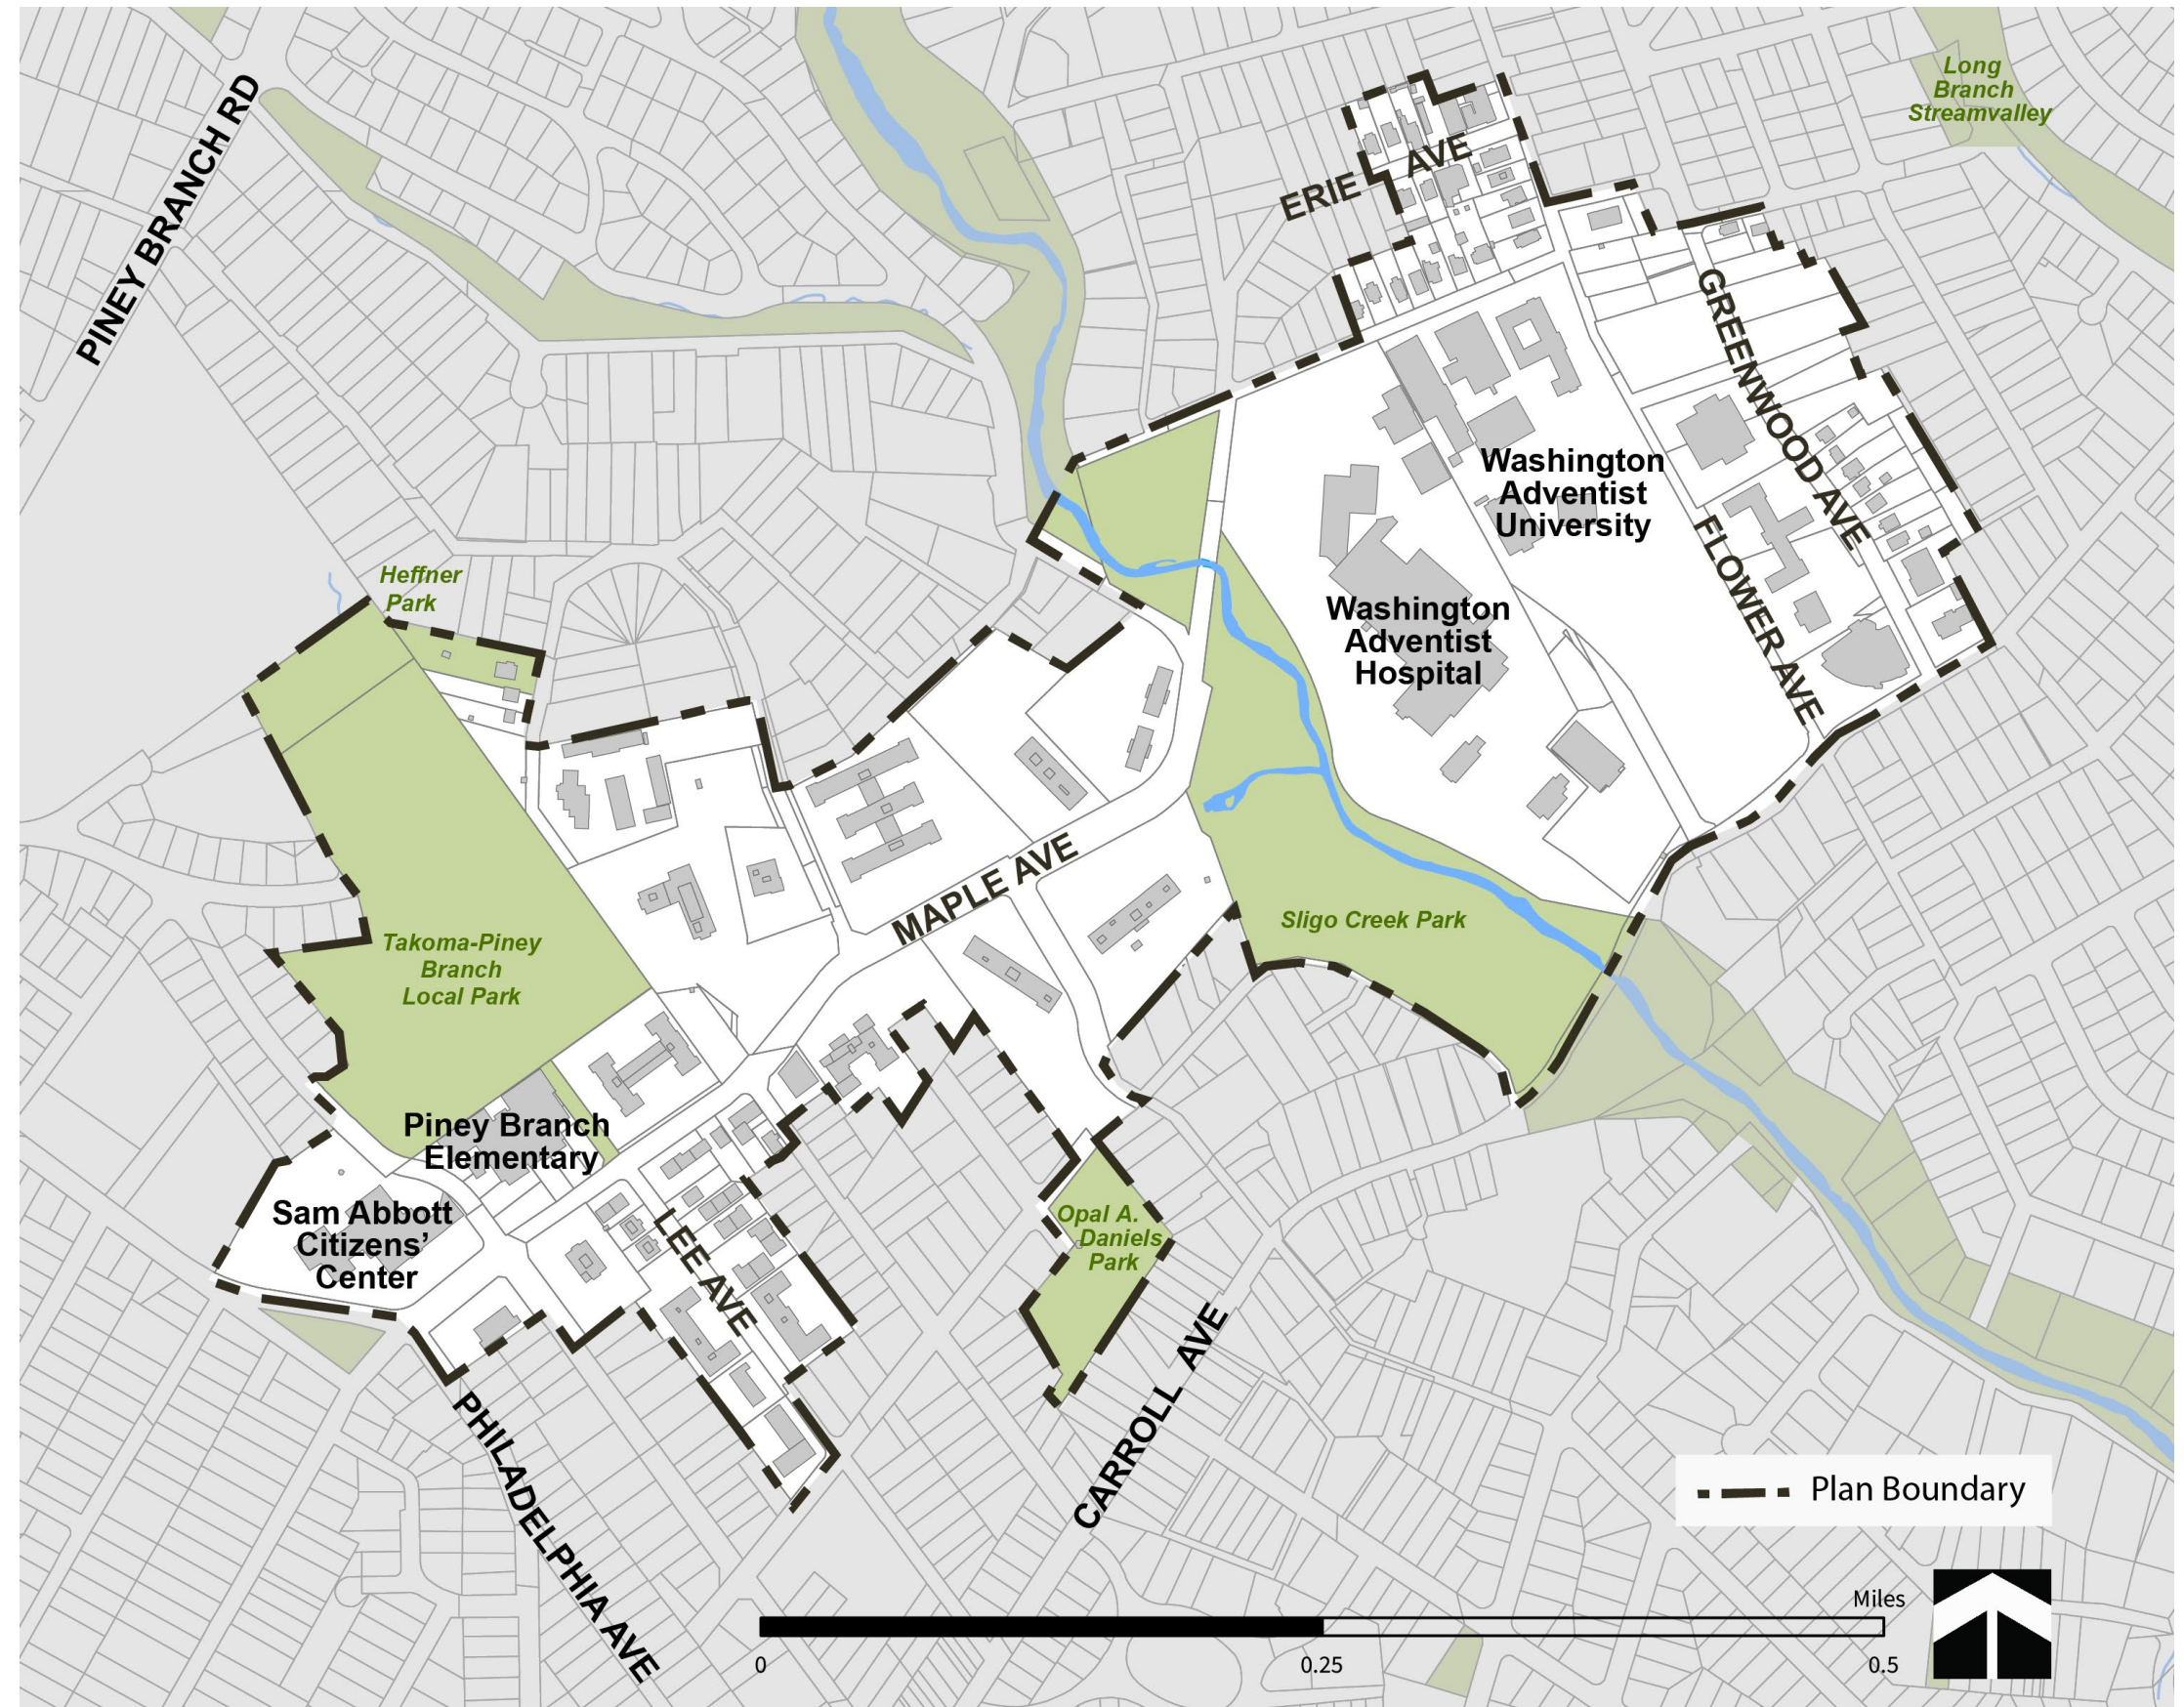

What is the future of Maple Avenue and surrounding area?

How can this plan enhance the livability within the plan area?
