Forecasts are prepared as part of the Cooperative Forecasting Process of the Metropolitan Washington Council of Governments (MWCOC). The City of Gaithersburg and City of Rockville prepare their own forecasts as part of the Cooperative Forecasting Process and are included in Montgomery County's forecast numbers.

Note: Numbers for at-place employment, population, households, and absolute change rounded to the nearest hundred. Numbers for absolute change and percent change calculated from unrounded numbers. Detail may not sum to totals due to rounding.
