Re: 200 Market St., Brookeville - Permit Number: 1070413

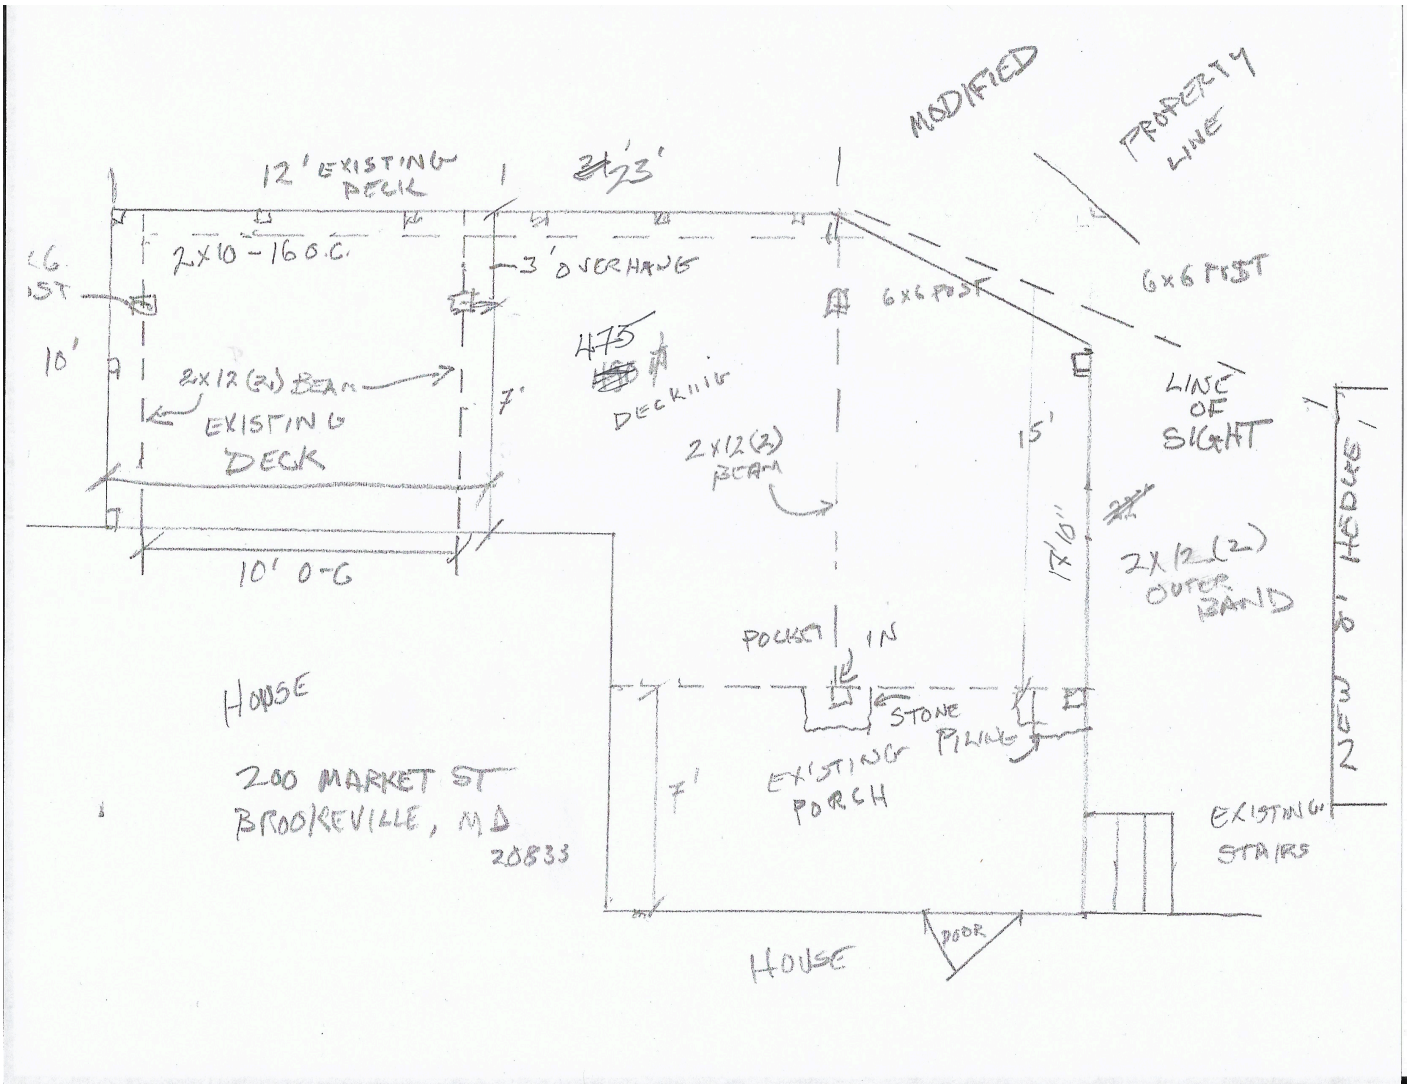

On July 2, 2024, the Brookeville Planning Commission reviewed the proposed expansion of the existing deck and porch at 200 Market Street. The Town of Brookeville does not have a setback requirement for decks, and it reviews and approves decks on a case-by-case basis. A site inspection was conducted to verify the location of the proposed deck expansion.

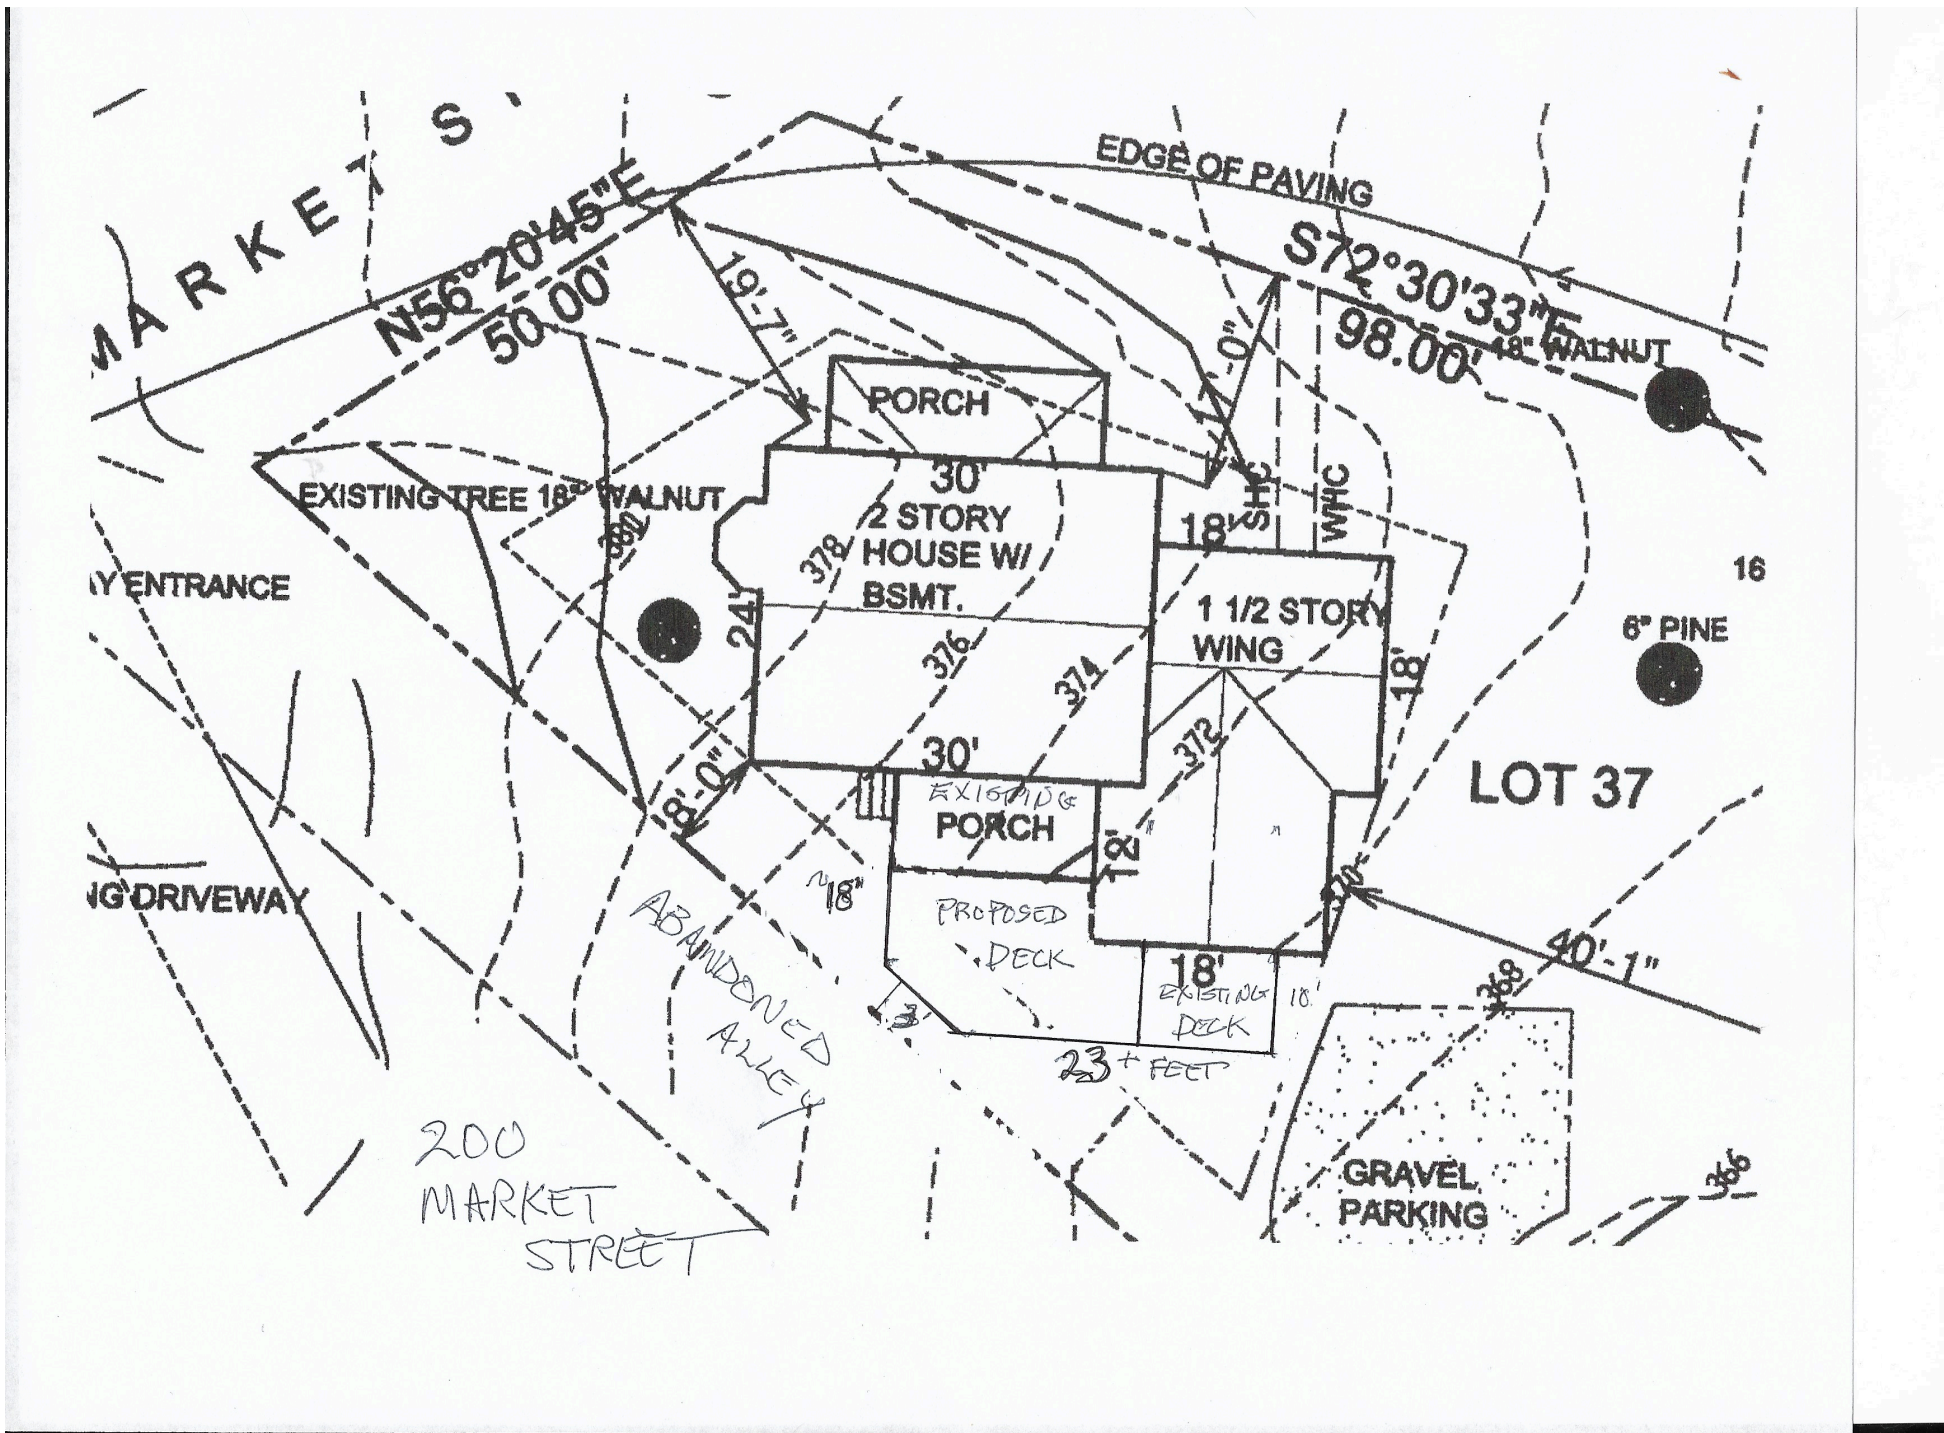

The Brookeville Planning Commission unanimously approved the modified floorplan of the deck, as submitted, and found its location to be compatible with the intent of our Zoning Ordinance.

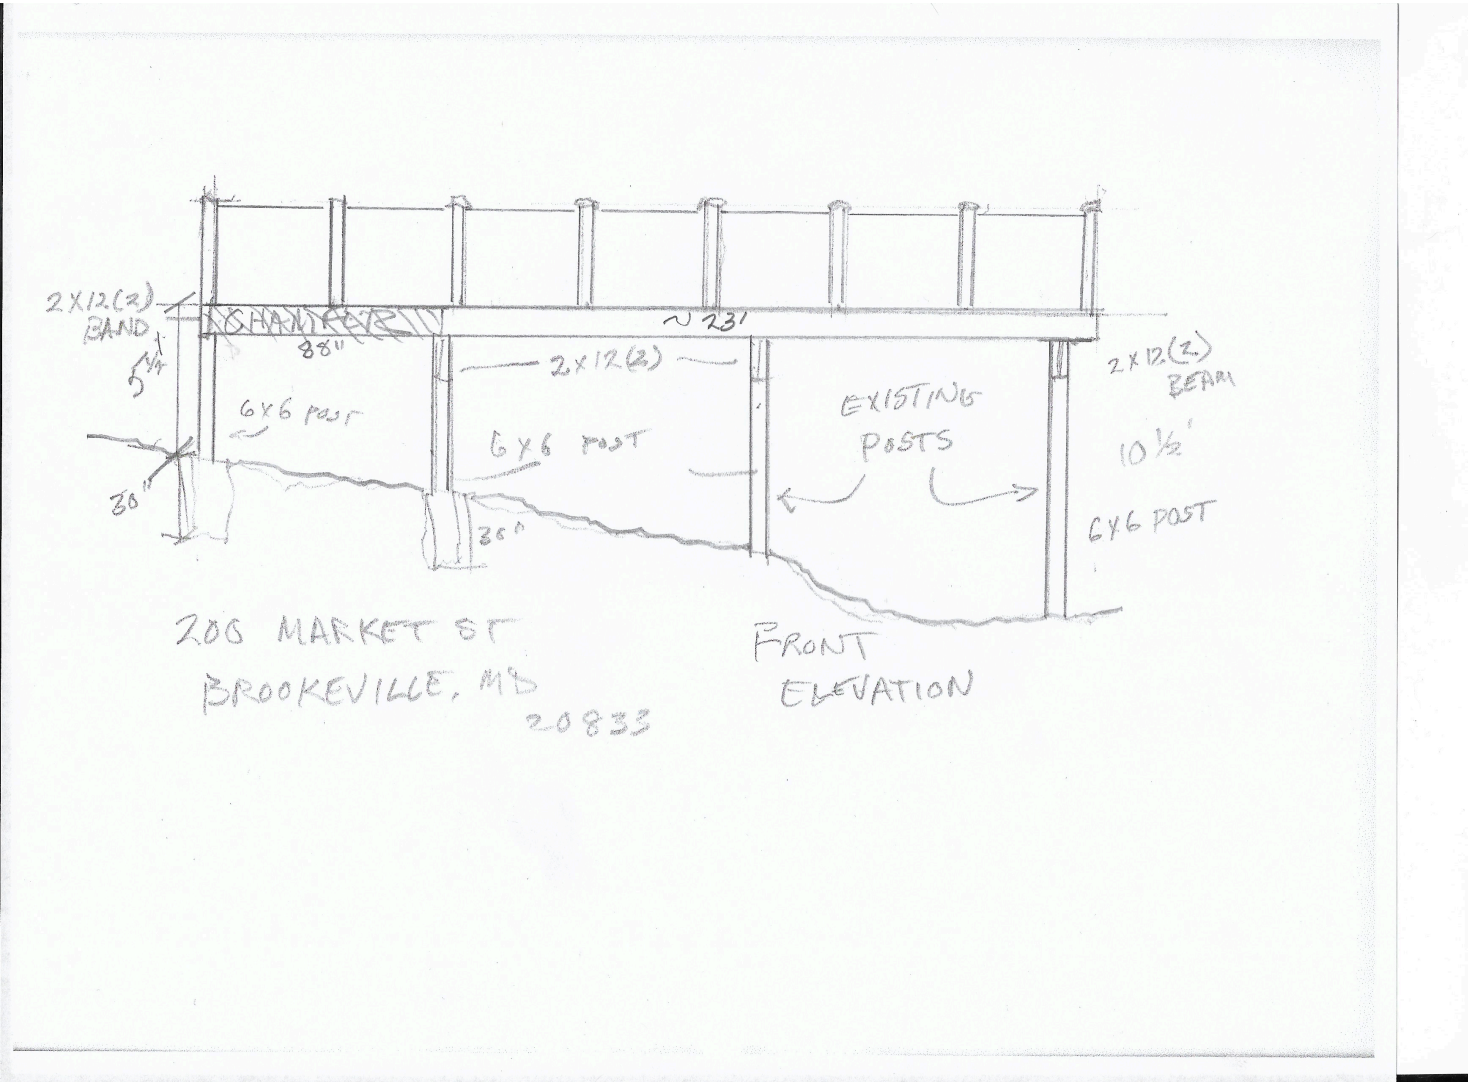

Sincerely,

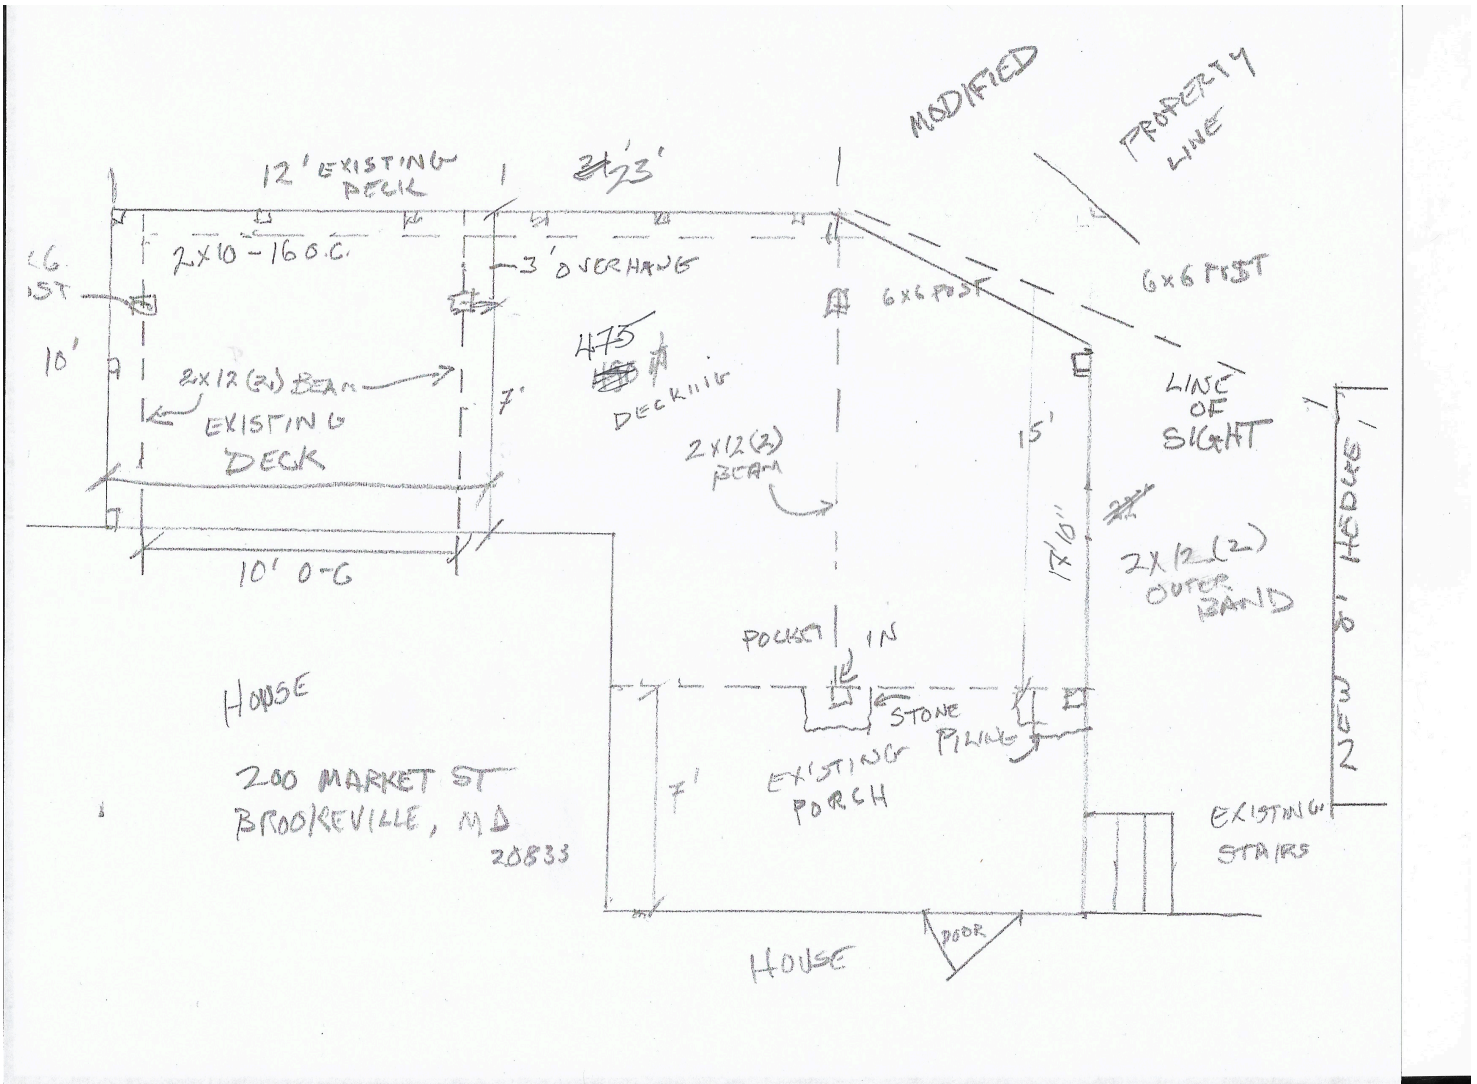

Cate McDonald
