Need shade in Page Park

NOT a dog park- instead a baseball field

Please keep Geico parking area along Willard Ave alive and green with mature trees

For gardens, plant native plants!

Save the beautiful mature trees in the geico parking lot!! (other people agreed)

Open up access to Willard Ave neighborhood park- too isolated and scarry for women walking alone

Highly developed, 20 stories (buildings?)

Open spaces without cars, walking trails like Willard Park

No change in(?) in SFIT-there is a shortage

Add and keep trees, more parks and local independent stores not just chain retail-....(?) in plan so developers cant change it

Dog park 1 check
Bile lanes on Wisconsin, Willard, and Weston 1 check

Save large trees and forest at Geico!

More diverse and affordable restaurants 1 check
Large community garden 2 checks

walkability, easier to access restaurants....(?)

Community theater space

What it is now: a wonderful, mixed use community Community theater

2 checks

Rent stable retail spaces so privately owned retailers can stay, low turnover retail. Condos. Townhouses. Old World character.

Walkable. Pedestrian friendly. Outdoor dining. Village feel/vibe. Village center. Library. Community center. High density retail

Don't change much, I like it moderately urban. Like living spaces, like trees, its pleasant, just right

Trail connecting Friendship Heights village with Crecent trail

The Brookdale neighborhood park with a park along Willard where the mature trees are on Geico property. High density in the parking lot at SE corner of Geico, and along Friendship Blvd.

No bile lanes on Wisconsin Ave

Plan to keep it as it is

Modestly developed, no high-rises

More houses, people, restaurants, fun

Community Theater!!

Geico: no baseball fields-dog park/community park instead

Infill near Metro. Leave room for trees/ breathing space

Walkable. Community. Denser

The example of Chevy Chase Lake with high density is ugly, Prefer examples of low density Chevy Chase

Opportunities for small businesses not just corporate retail. Entertainment and food

Prefer Chevy Chase example, also 14th street DC

Urban, walkable, safe. Geico building used as housing and perhaps library

Indoor swimming pool for the Friendship Heights area

Walkable interesting shops, not chains!

1 check

Preforming arts center

1 check

Miniature golf course

No more high rises but more workforce and affordable housing in the Geico development

Geico: preserve the green buffer/ transitional zone between ..(?) and buildings. Preserve green!

Rent controlled retail. Keep the small, charming restaurants

1 check

Walkable. Dense and Urban. Diverse. Inclusive

Stop the heat island in FH by covering it in green

County Library 2 checks

Save our trees!

Not development like example of Chevy Chase Lake but example of Chevy Chase (see board)

Walkable, with diverse retail and housing with community gathering places- parks etc.

Protection of Brookdale from densification

Brownstone townhouses- no more than 4 stories- on Willard

Bikeable and walkable 3 checks

Community arts center, playgrounds, art studio spaces

The home of a fabulous movie theater

Improvement of aged infrastructure in Brookdale

Dog park

Preserve and increase trees, reduce heat island effect

Safe

Affordable housing for workers

Bike path/walking path buffer with trees at boarders with Brookdale

Upon redevelopment, ground floor retail must be affordable to small businesses owners- not chain or corp.

More family attraction

Mature trees stay and more trees planted

KEEP OUT MATURE TREES! I'm pro growth for building retail, condos, and trees
